The Popular Religion and Folk-Lore of Northern India

(Complete) William Crooke, 2020-09-28 Among all the great religions of the world there is none more catholic more assimilative than the mass of beliefs which go to make up what is popularly known as Hinduism To what was probably its original form a nature worship in a large degree introduced by the Aryan missionaries has been added an enormous amount of demonolatry fetishism and kindred forms of primitive religion much of which has been adopted from races which it is convenient to describe as aboriginal or autochthonous The same was the case in Western lands As the Romans extended their Empire they brought with them and included in the national pantheon the deities of the conquered peoples Greece and Syria Egypt Gallia and Germania were thus successively laid under contribution This power of assimilation in the domain of religion had its advantages as well as its dangers While on the one hand it tended to promote the unity of the empire it degraded on the other hand the national character by the introduction of the impure cults which flourished along the eastern shores of the Mediterranean But besides these forms of religion which were directly imported from foreign lands there remained a stratum of local beliefs which even after twenty centuries of Christianity still flourish discredited though they may be by priests and placed under the ban of the official creed Thus in Greece while the high gods of the divine race of Achilles and Agamemnon are forgotten the Nereids the Cyclopes and the Lamia still live in the faith of the peasants of Thessaly So in modern Tuscany there is actually as much heathenism as catholicism and they still believe in La Vecchia Religione the old religion and while on great occasions they have recourse to the priests they use magic and witchcraft for all ordinary purposes It is part of the object of the following pages to show that in India the history of religious belief has been developed on similar lines Everywhere we find that the great primal gods of Hinduism have suffered grievous degradation Throughout the length and breadth of the Indian peninsula Brahma the Creator has hardly more than a couple of shrines specially dedicated to him Indra has as we shall see become a vague weather deity who rules the choirs of fairies in his heaven Indra loka Varuna as Barun has also become a degraded weather godling and sailors worship their boat as his fetish when they commence a voyage The worship of Agni survives in the fire sacrifice which has been specialized by the Agnihotri Br hmans Of P shan and Ushas V yu and the Maruts hardly even the names survive except among the small philosophical class of reformers who aim at restoring Vedism a faith which is as dead as Jupiter or Aphrodite

The Popular Religion and Folk-Lore of Northern India (Vol. 1&2) William Crooke, 2020-09-11 This 2 volume study examines the reality of Hindu worship in northern India from the perspective of its popular manifestation In rural areas practical Hinduism differed dramatically from organized Vedic Hinduism and included cult worship of a multitude of local deities which were not formally recognized by the Vedas but exerted a greater influence on the rhythms meanings and decisions of day to day life Crooke s study may have been the first to look at the religion through eyes other than those of missionaries or the Hindu elite seeking to fill a gap

The Westminster Review ,1856 *A Catered Bake-Off* Isis Crawford,2025-06-24
When sisters Bernie and Libby Simmons bring their culinary prowess from A Little Taste of Heaven catering company to a
baking competition in Upstate New York it s murder that takes the cake What s the worst that could happen on a reality show
bake off filmed at a picturesque estate As it turns out a whole lot Thrown into the fray against four seasoned competitors the
Simmons sisters face more than just cameras broadcasting their frosting mishaps on local TV Right from the get go their
small screen debut sours with suspicious ingredients and malfunctioning appliances Then there s the inexplicable invasion of
goats that sends the entire production into a tailspin followed by a flurry of ominous notes delivered anonymously to the cast
and crew Tensions really reach a boiling point when one of the judges meets a grisly end death by exploding espresso
machine With a dangerous mystery solidifying Bernie and Libby whisk through the vast property on a mission to uncover who
could have taken down the show s discerning food critic But when the bake off serves another victim the sleuthing siblings
find themselves racing to catch a mixed up killer before the final timer dings Includes Original Recipes for You to Try The

Rocky Ground: An Ozark Family Holds On Through Hard Times Margaret DuBois,2015-01-20 The economy didn t
go through the Great Depression people did Margaret DuBois grew up in a period of historic deprivation Her family had to
retreat to her grandparents Ozark farm to survive The farm patriarch her grandfather was an orator a minister who had once
served as a State Legislator Their home life differed from most similarly situated Ozark families in its focus on spiritual
duties and the love of learning Books lined their shelves Political bombast and pious sermon occupied their dinners They didn

t get up pre dawn as most farm families did Hard times drew out the best and worst of human character As she watched her family cope with all manner of human failing and unremitting rotten luck Margaret saw that people are complex and rife with contradictions In her family s composure through bitter disappointments she saw a strength of character worthy of remembrance And on that rocky ground where the DuBois family held fast she hatched her dreams **Extension Goat**

Doyal,2025-03-21 Jason an orphan with no known family went from street urchin to apprentice wizard Then he met a dragon Was he just lunch for a myth or had he met his first real friend Whichever this the start of his destiny War was coming the first war that The Kingdom has had in hundreds of years the first war on Hector between dragons wizards and a batch of semi trained orphans and boy did the Kingdom needed them to grow up fast *A Text Book of the Balochi Language* ,1913

Embattled Emily Katz Anhalt,2021-09-14 An incisive exploration of the way Greek myths empower us to defeat tyranny As tyrannical passions increasingly plague twenty first century politics tales told in ancient Greek epics and tragedies provide a vital antidote Democracy as a concept did not exist until the Greeks coined the term and tried the experiment but the idea can be traced to stories that the ancient Greeks told and retold From the eighth through the fifth centuries BCE Homeric epics and Athenian tragedies exposed the tyrannical potential of individuals and groups large and small These stories identified abuses of power as self defeating They initiated and fostered a movement away from despotism and toward broader forms of political participation Following her highly praised book *Enraged Why Violent Times Need Ancient Greek Myths* the classicist Emily Katz Anhalt retells tales from key ancient Greek texts and proceeds to interpret the important message they hold for us today As she reveals Homer s *Iliad* and *Odyssey* Aeschylus s *Oresteia* and Sophocles s *Antigone* encourage us as they encouraged the ancient Greeks to take responsibility for our own choices and their consequences These stories emphasize the responsibilities that come with power any power whether derived from birth wealth personal talents or numerical advantage reminding us that the powerful and the powerless alike have obligations to each other They assist us in restraining destructive passions and balancing tribal allegiances with civic responsibilities They empower us to resist the tyrannical impulses not only of others but also in ourselves In an era of political polarization *Embattled* demonstrates that if we seek to eradicate tyranny in all its toxic forms ancient Greek epics and tragedies can point the way **The Goat World**
