Finding My Way Home Pam Estes, 2021-06-08 *Finding My Way Home* is a historical fiction book. It details the lives of the two main characters, Bobbie James and Allie Stephens. The book is set in the 1940s and describes what life was like during this era. This is a fictional work, but the story is based on actual people, places, and events. But it's also an art which, with needle, thread, fabric, and an idea, can give us a new way of looking at and wrapping ourselves in the world. This book profiles twenty American practitioners of that art: quilters whose fascinating, innovative work takes the craft one step further and makes it into something new. These remarkable quilters describe their inspiration and methods and show us several examples of their best work. Among them are Jeanne Williamson, a celebrated mixed-media journal quilter; Pam Rubert, whose large-scale quilts showcase her humor; Loretta Bennett, the youngest of the beloved Gee's Bend quilters; Boo Davis, a hip crafter who pieces together quilts with heavy metal themes; Susan Else, who constructs whimsical quilted sculptures; Ai Kijima, a Brooklyn-based artist influenced by Japanese anime; and Jane Burch Cochran, whose folk-art quilts feature thousands of beads and buttons. Through personal conversations with the quilters, author Spike Gillespie gives us an inside-in-depth look at what inspires each, what methods

they use and how their art has evolved Along with these close up views of the quilter s studio and process each profile features firsthand tips and inspirational advice Quilting Art serves as an idea book for quilters as well as a gorgeous representation of the quilter s art *Quilting for Newbies: A Simplified Way to Learn* Carla Bibby Thatch,2012-06-12 Written by a quilting instructor this book simplfies the process of traditional hand and machine patchwork and quilting for beginners It is a guide to help newbies get started on their first project and move on the complete many more **Helen Kelley's Joy of Quilting** Helen Kelley,2004-09-23 A popular columnist of Quilter s Newsletter Magazine offers a collection of stories from her everyday life sure to appeal to quilters of all levels dealing with everything from the love of creativity to the pleasure of friendship *Pat Sloan's Teach Me to Machine Quilt* Pat Sloan,2016-10-04 Popular teacher designer and online radio host Pat Sloan teaches all you need to know to machine quilt successfully In this third book of her beginner friendly Teach Me series Pat guides you step by step through walking foot and free motion quilting techniques First time quilters will be confidently quilting in no time and experienced stitchers will discover the joy of finishing their quilts themselves No fear learning for quilting novices Pat covers all the information you need to quilt from start to finish Pat guides you through simple and fun practice projects including a strip pieced table runner and an easy applique design Collect the entire skill building library of Pat Sloan s popular Teach Me series of books **Debbie Mumm's Country Quilts for All Occasions** Debbie Mumm,1998 **Quilting for Hire** Shelly Pagliai,2022-01-25 A creative person s guide to the longarm quilting business Professional machine quilters are in high demand and you can be one of them Learn the secrets to success in this dynamic interactive guidebook for creatives Chock full of exercises tips interviews graphics and sample forms and contracts it s everything veteran longarm quilter Shelly Pagliai wished she d known before launching her business Turn your creative skills and passion into a successful business with the author s detailed advice on studio setups business plans finding and working with customers money matters and more This book is ideal for anyone thinking about starting or expanding their own professional longarm or custom quilting business Turn your dream into a reality Learn the business of longarm quilting for others with this fun and interactive guide Get expert advice to run your business from time management and marketing to pricing taxes insurance and more Launch like a pro with sample forms contracts and exercises to work out the nitty gritty details **Tips for Quilting** The Staff Of The Old Country,2015-01-27 This handbook for anyone interested in quilting is full of hints shortcuts and practical know how from experienced quilters Reading it is like quilting beside an expert quilter and a trusted friend The quilting experts at The Old Country Store named One of the 10 best quilt shops in the United States by Better Homes and Gardens Quilt Sampler Magazine have assembled wisdom from a premiere group of thousands of quilters those women who have perfected precise piecing who know how to prevent thread from knotting who continually experiment with new batting new tools new techniques From selecting fabric to hand quilting and machine quilting to embellishments and new technology this handbook offers candid and clear hints and tricks of the trade that are of value for the novice and
