The Oxford Handbook of Qur'anic Studies, 2020-04-28 Traditionally revered as the literal word of God the Qur'an serves as Islam's sacred book of revelation Accordingly its statements and pronouncements rest at the core of the beliefs and teachings that have inexorably defined expressions of the Islamic faith Indeed over the centuries engaging with and poring over the contents of the Qur'an inspired an impressive range of traditional scholarship Notwithstanding its religious pre-eminence the Qur'an is also considered to be the matchless masterpiece of the Arabic language and its impact as a text can be discerned in all aspects of the Arabic literary tradition Presenting contributions from leading experts in the field The Oxford Handbook of Quranic Studies offers an authoritative collection of chapters that guide readers through the gamut of

themes subjects and debates that have dominated the academic study of the Qur'an and its literary heritage. These range from chapters that explore the text's language vocabulary style and structure to detailed surveys of its contents concepts transmission literary influence historical significance commentary tradition and even the scholarship devoted to translations. With the aim of serving as an indispensable reference resource the Handbook assesses the implications of research discourses and discussions shaping the study of the Qur'an today. There exists no single volume devoted to such a broad review of the scholarship on the Qur'an and its rich commentary tradition. *Historical Dictionary of Islam* Ludwig W. Adamec, 2016-12-14. Muslims believe that the Koran is God's message in Arabic revealed through the medium of the Prophet Muhammad for the guidance of the Arabs and subsequently for all humanity. There is both unity and variety in the Islamic world. Muslims are not a homogeneous people who can be explained solely by their normative texts the Koran and the Sunnah. Muslims differ vastly in their interpretation of Islam; modernists want to reinterpret Islam to adapt to the requirements of modern times while traditionalists tend to look to the classical and medieval periods of Islam as their model of the Islamic state. This third edition of *Historical Dictionary of Islam* contains a chronology an introduction appendixes and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on major sects schools of theology and jurisprudence as well as aspects of Islamic culture. This book is an excellent resource for students researchers and anyone wanting to know more about Islam.
