Quranic Concept Of Nikah Wedlock Versus Religious Prostitution:

The Quranic Concept of Nikah (Wedlock) Versus Religious Prostitution Akhtar Sherazi, Agha, Safdar, 2005-01-01 As the name suggests this publication primarily deals with wedlock Nikah ordained by the Qur'an and fornication adultery permissible under the forged concept of Mut'ah but it also encompasses the intellectual bankruptcy of the clerical elite who devised ways and means to bypass the crystal clear injunctions of Allah's last revelation This form of deviation falls under the concept of academic whoring and throughout the Muslim history especially during the reigns of caliphs and kings the alleged academicians had been acting as their harlots and prostituting their professional talents for personal gains It is a shame to admit that the constitution implemented by Mohammad and his steadfast companions for the establishment of a peaceful society is nowhere to be found The same chronic ruling autocrats despotic dictators and heads of bogus democracies are entrenched in the Muslim world and 1.35 billion Muslims are nothing more than a gigantic herd of sheep This state of affairs is responsible for the deplorable situation the Ummah finds itself locked in They are facing worst humiliation in all areas of conflict like Palestine Kashmir Chechnya Iraq Afghanistan Malaysia etc The Muslim blood is the cheapest commodity on the planet and its letting is continuing brazenly Here a disturbing question comes to mind how the followers of Mohammad one of the most successful Messengers of Allah in his own time reached this degradation within a span of fourteen centuries The answer is very simple a progressive succession of conspiracies most of which originated in Iran completely demolished the real Quranic system that once guaranteed personal freedom immediate justice social equality equal opportunity and complete security for every member of the society

Status of Women in Islamic Society: Society Afsar Bano, 2003 Women Are A Neglected Lot But Not Under Islam It May Sound To Be An Uncommon Statement But It's True Islam Hit The World Scenario As Progressive Religion And Raised The Banner For Reforms Humanity And Equality Islam As A System And Code Of Conduct Gives All Rights To Its Female Followers At Par With Men Within The Parameters Of Islam The Women Enjoy A Status Equal To That Of Men With Regard To Property Opportunities And The Basic Rights This Research Based Study Deals With The Status Of Women In Islamic Society In A Very Scholarly Academic And Objective Manner And It Makes This Work Exemplary And A Valuable Addition To The Existing Books On The Subject

Marriage and Sexuality in Islam Ghazzālī, Madelain Farah, 1984 Islam considers marriage as the most intimate communion between man and woman The mystery of sex finds its fulfilment when intimate spiritual harmony is combined with the physical link Marriage and family laws are therefore an important part of Islamic law for the fulfilment of its ultimate objective of building a harmonious and peaceful human society In his inimitable style Imam al Ghazali may Allah be pleased with him discusses this subject in this small book and shows how Islam despite differences in rules and marriage sets out inviolable principles so that marriage is not distorted by godless understandings now threatening to dehumanise many a society of both the East and West The Islamic code of marriage and family is second to none in

importance in helping to lead a life of goodness and purity *Marital and Sexual Ethics in Islamic Law* Roshan Iqbal, 2023-03-14 Roshan Iqbal traces the intellectual legacy of the exegesis of Qur'an 4:24 which is used as the proof text for the permissibility of mut'a temporary marriage and asks if the use of verse 4:24 for the permissibility of mut'a marriage is justified within the rules and regulations of Qur'anic hermeneutics Iqbal examines seventeen Qur'anic commentaries the chronological span of which extends from the first extant commentary to the present day in three major Islamic languages Iqbal concludes that doctrinal self identity rather than strictly philological analyses shaped the interpretation of this verse As Western academia's first comprehensive work concerning the intellectual history of mut'a marriage and sexual ethics this work illustrates the power of sectarian influences on how scholars have interpreted verse 4:24 This book is the only work in English that includes a plurality of voices from minor schools Ibadi Ashari Zaidi and Ismaili largely neglected by Western scholars alongside major schools and draws from all available sub genres of exegesis Further by revealing ambiguities in the interpretation of mut'a this work challenges accepted sexual ethics in Islamic thought as presented by most classical and many modern Muslim scholars and thus opens up space to theorize Islamic sexual ethics anew and contribute to this crucial conversation from the perspective of Muslim feminism *Marriage and Morals in Islam* Sayyid Muhammad Rizvi, 2015-11-17 All the Sahabah including Abu Bakr and Umar considered mut'ah to be halal throughout the lifetime of the Prophet and throughout the rule of Abu Bakr For most of the era of Umar all the Sahabah generally affirmed the permissibility of mut'ah However at the end of his caliphate he made it haram and that changed everything The generality of the Sahabah obeyed him and only a handful remained steadfast in affirming the permissibility of temporary marriage Some of the Tabi'in also proclaimed it halal However the number of the pro mut'ah elements continued to dwindle among the Ahl al Sunnah until none or almost none accepted it anymore The Shi'ah on their part have remained unshakable and unyielding on the permissibility of temporary marriage from the time of the Messenger till this very day of ours This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world Ahlulbayt Organization www.shia.es is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world and it welcomes your involvement and support Its objectives are numerous yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented misunderstood and its tenets often assaulted by many ignorant folks Muslims and non Muslims Organization's purpose is to facilitate the dissemination of knowledge through a global medium the Internet to locations where such resources are not commonly or easily accessible or are resented resisted and fought In addition For a complete list of our published books please refer to our website www.shia.es or send us an email to info@shia.es **Temporary Marriage in Sunni and Shiite Islam** Khalid Sindawi, 2014 The main objective of the study on temporary marriage in Shiite and Sunni Islam by Khalid Sindawi is to

analyze and survey the views of Islamic jurists both ancient and modern on the issue of temporary marriage that is a marriage that is limited in time and whether such a marriage is licit or not Using juridical texts religious rulings fatawa independent opinions and more this study illuminates the main disputes among early and modern Islamic scholars and tracks the sources of the obvious disagreements on this matter in Islamic religious circles It also discusses the social aspects of temporary marriage as well as the influence that social sentiments may have had on the way in which this institution has been appraised in Islamic law After the introduction that explores the concept of marriage its conditions and laws the encouragement of matrimony in Islamic law divorce and annulment of marriage and the two types of legal marriage permanent and temporary different marriage types from the pre Islamic times up to modern times are presented Sindawi also discusses usufruct marriage muta in Islamic jurisprudence and the attendant social customs among Twelver Shiites deals with travel marriage misyar in Islamic jurisprudence and Sunni social practice describes what is known as friend marriage and the views of Islamic jurists on this kind of liaison and summarizes the points of similarity and difference between usufruct travel and friend marriage Addressing the Taboos Zia U. Sheikh, Ph.d.,2014-08-31 From the creation of the very first humans Adam and Eve marriage has been an institution chosen by God for the human race as being the only permitted way that a man and woman can spend their lives with each other Marriage is often portrayed as a fairy tale with the couple living happily ever after However the reality is that there are always ups and downs in marriage and dealing with marital issues is not something that you learn in school This book is an invaluable resource for people that are intending to marry or newlyweds or have been married for many years It answers many questions that people may have had about the marriage process choosing the right spouse the sensitive nature of intimacy and sex and how to deal with problems and arguments as they come up When we can deal with these problems in an expedient and efficient manner it will result in a harmonious and blissful marriage God willing Hopefully this book will provide all the appropriate resources for couples that want to fill their marriage with happiness and joy This book is the second work by the author his first being *Islam Silencing the Critics* **Law of Desire** Shahla Haeri,2014-10-21 As an Iranian Muslim woman and a granddaughter of a well known ayatollah Shahla Haeri was accepted into the communities where she conducted her fieldwork on mut a temporary marriage Mut a is legally sanctioned among the Twelver Shi ites who live predominantly in Iran Drawing on rich interviews that would have been denied a Western anthropologist the author describes the concept of a temporary marriage contract in which a man and an unmarried woman virgin widow or divorcee decide how long they want to stay married to each other from one hour to ninety nine years and how much money is to be given to the temporary wife Since the Iranian revolution of 1979 the regime has conducted an intensive campaign to revitalize this form of marriage and Shi i ulama religious scholars support it as positive self affirming and cognizant of human needs Challenged by secularly educated urban Iranian women and men and by the West the ulama have been called upon to address themselves to the implications of this custom for modern Iranian

society to respond to the changes that must be legally equivalent to hire or lease that it is abusive of women and that it is in fact legalized prostitution. Law if Desire thus makes available previously untapped and undocumented data about an institution in which sexuality morality religious rules secular laws and cultural practices converge. This important work will be of interest to cultural anthropologists religious scholars scholars of the Middle East and lawyers as well as to those interested in the role of women in Islamic society.
