This cabin is located along a dirt logging road many miles from the main highway deep inside the Allegheny National Forest in McKean County near the Kinzua Dam and Reservoir. The first section of this book recounts how a black bear interrupted the hunt of a large six point buck. The second section is about two young outdoorsmen using their skills honed from the Pennsylvania woods to venture deep into a much different type of wilderness for a moose hunt in a mountain region of Alaska. The third section focuses on the camp activities of the remote hunting camp in the Kinzua forest. The remaining sections involve hunting turkey deer bear and snow shoe rabbit. Anyone who has ever enjoyed roaming in the Pennsylvania forest absorbing all of its natural wonder will be captivated by reading this book. **United States General**
