Rabble Rousers:

Rabble Rousers and Merry Pranksters Toby Boraman, 2007 *Rabble Rousers and Merry Pranksters* captures some of the imagination the audacity the laughs and the wildness that animated many of the social movements of the sixties and seventies in Aotearoa New Zealand During this time particularly from the late sixties to the early seventies an astonishingly broad based revolt occurred throughout the country Thousands of workers Maori Pacific people women youth lesbians gays students environmentalists and others rebelled against authority Innovative new styles and anarchistic methods of political dissent became popular A colourful and energetic bunch of anarchists occasionally played significant roles in these struggles Anarchists were prominent in the anti nuclear anti Vietnam War anti US military bases commune unemployed and peace movements *Rabble Rousers and Merry Pranksters* is a richly detailed tale about a much neglected anti authoritarian leftist current in Aotearoa New Zealand history

Rabble Rousers Clive Webb, 2010 The decade following the 1954 Brown v Board of Education decision saw white southerners mobilize in massive resistance to racial integration Most segregationists conceded that ultimately they could only postpone the demise of Jim Crow Some militant whites however believed it possible to win the civil rights struggle Histories of the black freedom struggle when they mention these racist zealots at all confine them to the margin of the story These extremist whites are caricatured as ineffectual members of the lunatic fringe Civil rights activists however saw them for what they really were calculating dangerous opponents prepared to use terrorism in their stand against reform To dismiss white militants is to underestimate the challenge they posed to the movement and in turn the magnitude of civil rights activists accomplishments The extremists helped turn massive resistance into a powerful political phenomenon While white southern elites struggled to mobilize mass opposition to racial reform the militants led entire communities in revolt *Rabble Rousers* turns traditional top down models of massive resistance on their head by telling the story of five far right activists Bryant Bowles John Kasper Rear Admiral John Crommelin Major General Edwin Walker and J B Stoner who led grassroots rebellions It casts new light on such contentious issues as the role of white churches in defending segregation the influence of anti-Semitism in southern racial politics and the divisive impact of class on white unity The flame of the far right burned brilliantly but briefly In the final analysis violent extremism weakened the cause of white southerners Tactical and ideological tensions among massive resisters as well as the strength and unity of civil rights activists accelerated the destruction of Jim Crow

Risen Mortallic Flesh Jeremiah Leviathan, 2013-11-05 The original romantic comedy with zombies following an unusual gentleman by the name of Asmodeus Dusk and his efforts to survive as the world succumbs to apocalypse His journey leads him across much of Colorado through multiple locations in and around the Rocky Mountains and to a hidden military research base coined YESRAD near Mayday Amid the stench of mobile corpses he finds love gazing at him from behind the barrel of a 357 Magnum Is she more than meets the eye How long will civility hold true Are there

unseen forces at work What answers if any could YESRAD have *Call Me Coach* Paul F. Dietzel, 2008-09-15 When LSU head football coach Paul Dietzel saw Billy Cannon field an Ole Miss punt on LSU's own eleven yard line on a stifling Halloween night in 1959 his shouts of No no no turned to Go go go as Cannon eluded tackler after tackler sending fans in Tiger Stadium into a frenzy and earning himself that year's Heisman Trophy Dietzel is probably best known for leading LSU to its first national championship the year before Cannon's legendary run but his career in athletics also carried him to numerous posts across the country and put him in the company of some of the best coaching minds of all time In *Call Me Coach* Dietzel affectionately recalls his rich and varied life in college football In 1948 Dietzel decided to forgo medical school at Columbia University to become the plebe football coach at West Point As an assistant over the next few years he worked with Bear Bryant at the University of Kentucky Colonel Red Blaik and Vince Lombardi at West Point and Sid Gillman at the University of Cincinnati Taking the job of head coach at LSU in 1955 he reversed the Tigers losing skid and using the wing T formation and a revolutionary three team substitution system incorporating the White Team the Go Team and the renowned Chinese Bandits crafted 1958's unbeaten championship season The thirty three year old Dietzel was voted National Coach of the Year by the widest margin ever Back at West Point from 1961 to 1965 Dietzel rallied the Cadets to finally beat Navy and as South Carolina's football coach and athletics director from 1966 to 1974 he took the Gamecocks to their first bowl game in twenty five years and mandated the recruitment of black athletes in all sports programs After twenty years as a head coach with 109 wins and 95 losses at three schools and a postseason record of 11 victories and 3 defeats Dietzel retired from coaching in 1974 later serving as athletics director at Indiana and LSU Through Dietzel's eyes readers glimpse college football during a simpler time but also see that many facets of the game including recruitment challenges job insecurity press relations and fickle fans remain constant Highlights among the book's many unforgettable anecdotes are a 1962 interview with Howard Cosell discussion about West Point's football team with General Douglas MacArthur and a rare disagreement with Bear Bryant during a staff meeting Dietzel's recollections of his early and later years help complete the story of the man In a warm raconteur's voice he describes his impoverished childhood in Ohio his own participation in high school and college sports and his stint flying B 29 missions over Japan during World War II His postretirement endeavors have included providing color commentary for TV selling fudge teaching skiing and watercolor painting Always at the top of Dietzel's priorities have been friends family and faith Gratitude rings as a constant refrain in *Call Me Coach* and sports enthusiasts everywhere will be grateful that Dietzel has shared these recollections of his remarkable life **The Encyclopedia of Old Fishing Lures** Robert A. Slade, 2011-05-10 Robert A Slade after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years started researching and writing books in the 1990's He published the HISTORY COLLECTIBLE FISHING TACKLE OF WISCONSIN in 1999 which sold 4 500 copies Bob realized that even though there have been many books published on the subject of old fishing lures that few books covered any detailed

history on the old lure makers His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2 500 lures makers throughout all of North America THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers The author traveled to 11 states and 3 Canadian Provinces visiting collectors homes newspaper archives museums and other sources and has taken over 10 000 pictures in preparing the historical stories for these books The set of books arranges for the individual and company lures makers to appear in alphabetical order People purchasing these books can buy any one single book a whole set or even a book a month if they desire as the books will be printed and shipped on demand Each book has over 400 pages of text pictures and collector values with each book containing a table of contents and index as well as a master index for the complete set of books *Records and Briefs of the United States Supreme Court* ,1966 **Peasants, Rebels, Women,**

and Outcasts Mikiso Hane,2016-11-14 This compelling social history uses diaries memoirs fiction trial testimony personal recollections and eyewitness accounts to weave a fascinating tale of what ordinary Japanese endured throughout their country s era of economic growth Through vivid often wrenching accounts of peasants miners textile workers rebels and prostitutes Mikiso Hane forces us to see Japan s modern century from the beginnings of contact with the West to World War II through fresh eyes In doing so he mounts a formidable challenge to the success story of Japan s economic miracle Starting with the Meiji restoration of 1868 Hane vividly illustrates how modernization actually widened the gulf economically and socially between rich and poor between the mo bo and mo ga modern boy and modern girl of the cities and their rural counterparts He interlaces his scholarly narrative with sharply etched individual stories that allow us see Japan from the bottom up We feel the back breaking labor of a typical farm family the anguish of poverty stricken parents forced to send their daughters to Japan s new mills factories and brothels the hopelessness in rural areas scourged by famine the proud defiance of women battling against patriarchy and the desperation of being on strike in a company town in revolt in the countryside or conscripted into the army This updated edition is enhanced by a substantive new introduction by Samuel H Yamashita By allowing the underprivileged to speak for themselves Hane and Yamashita present us with a unique people s history of an often hidden world **Preaching from over the Hill** Rev. C. Floyd Emerson,2017-06-07 The book is about the

Christian ministry but its not a how to do it book Its a how I did it for over fifty years book Ministry deals with people issues doctrine and scripture Sometimes I get it right and sometimes not so much Ministry can be heartwarming and it can be heartbreaking The book talks about both The overall theme though is a statement of my faith *Expanding Mindscapes* Erika Dyck,Chris Elcock,2023-11-21 The first collection of its kind to explore the diverse and global history of psychedelics as they appealed to several generations of researchers and thinkers Expanding Mindscapes offers a fascinatingly fluid and diverse history of psychedelics that stretches around the globe While much of the literature to date has focused on the

history of these drugs in the United States and Canada editors Erika Dyck and Chris Elcock deliberately move away from these places in this collection to reveal a longer and more global history of psychedelics which chronicles their discovery use and cultural impact in the twentieth century The authors in this collection explore everything from LSD psychotherapy in communist Czechoslovakia to the first applications of LSD 25 in South America to the intersection of modernism and ayahuasca in China Along the way they also consider how psychedelic experiments generated their own cultural expressions where the specter of the United States may have loomed large and where colonial empires exerted influence on the local reception of psychedelics in botanical and pharmaceutical pursuits Breaking new ground by adopting perspectives that are currently lacking in the historiography of psychedelics this collection adds to the burgeoning field by offering important discussions on underexplored topics such as gender agriculture parapsychology anarchism and technological innovations
