Rabindranath Tagore's The Home And The World Critical Perspectives:

Rabindranath Tagore's The Home and the World Pradip Kumar Datta, 2005 Designed as a companion to Rabindranath Tagore's *Ghare Baire* *The Home and the World* the ten essays of this volume cover the novel in terms of the complexity of colonial modernity The book will be of great value and interest to those studying Indian literature post coloniality gender representations and nationalism

Rabindranath Tagore's the Home and the World Rama Kundu, 2001 In The Recent Years There Has Been A Revival Of Interest In Tagore's Fiction Especially The Novel *The Home And The World* Set On A Bengali Zamindar's Estate In 1908 It Is Both A Love Story And A Novel Of Political Awakening The Present Book Throws Fresh Light On *The Home And The World* And Adds To Our Awareness Of The Intrinsic Value Of Indian Fiction

Rabindranath Tagore's The Home and the World Pradip Kumar Datta, 2005 Designed as a companion to Rabindranath Tagore's *Ghare Baire* *The Home and the World* the ten essays of this volume cover the novel in terms of the complexity of colonial modernity The book will be of great value and interest to those studying Indian literature post coloniality gender representations and nationalism

Indian Writing K. V. Surendran, 2000 *Boundaries of the Self* Debalina Banerjee, 2014-06-02 This book addresses the intersections between gender and identity by critically examining female spaces It has famously been argued that men and women are made in culture As such this volume explores how spaces social political cultural historical and even cyber affect the creative personal urban and global identities of women The scholarly approaches of the contributors here probe into these spaces and analyze the problematic of gender identities as they are constructed reconstructed or deconstructed through processes of appropriation subversion and signification The functional politics of patriarchy influences a range of networks that include social cultural political and religious archetypes This book will open new vistas in women's studies through dialogues and discussions on the various facets of Space and how in turn they generate the rhetoric of agency and power or again how they annihilate attempts at emancipation and empowerment Furthermore the book explores the diversity of women's experiences and their contributions across cultures and examines knowledge and practices in the light of gender differences suggesting new ways to conceptualize the relations between the self and the ever changing global communities Its interdisciplinary nature drawing on the humanities arts social sciences will give it a wide readership among students teachers and researchers In addition since women's studies is one of the most sought after academic disciplines of the contemporary academic world this book will generate interest and contribute to the dynamic nature of women's studies research

The Cambridge Companion to Rabindranath Tagore Sukanta Chaudhuri, 2020-06-04 Discusses Tagore's uniquely varied output across literature music art philosophy history politics education and public affairs

Rabindranath Tagore's Journey as an Educator Mohammad A. Quayum, 2022-12-20 This book looks at Rabindranath Tagore's experiments and journey as an educator and

the influence of humanistic worldviews nationalism and cosmopolitanism in his philosophy of education It juxtaposes the educational systems and institutions set up by the British colonial administration with Tagore s pedagogical vision and schools in Santiniketan West Bengal Brahmacharya Asram 1901 Visva Bharati University 1921 and Sriniketan Institute of Village Reconstruction 1922 An educational pioneer and a poet teacher Tagore combined nature and culture tradition and modernity East and West in formulating his educational methodology The essays in this volume analyse the relevance of his theories and practice in encouraging greater cultural exchange and the dissolution of the walls between classrooms and communities This book will be useful for scholars and researchers of education Tagore studies literature cultural studies sociology of education South Asian studies and colonial and postcolonial studies

Modern Indian Literature as Cosmopolis Didier Coste, 2024-10-09 This book redefines modern Indian literature from a cosmopolitan comparative perspective inclusive of literature in English from India and the diaspora in native languages and works by non Indians It shows how since the mid 19th century Indian literary modernity pursued the conjunction of the sensuous and ethical spiritual that characterized its three traditions Sanskritik Persian and folk culture while the encounter both receptive and oppositional with the West vastly expanded the Indian literary sphere Aesthetics and ethics are not antithetical in the Indian cultural space but the quest for an exclusive Indian identity versus universalist approaches offsets concerns for social justice as well as enjoyable embodied communication The literary constellation in many languages now formed in and around India can be better apprehended as a virtual Cosmopolis a commonwealth of elaborate emotions The versatile figure of Hanuman metaphorically flies across this Ocean of Stories to make us discover new worlds of experience

South Africa and India Isabel Hofmeyr, Michelle Williams, 2011-05-01 An innovative book about the relationship between South Africa and India South Africa s future is increasingly tied up with that of India While trade and investment between the two countries is intensifying they share long standing historical ties and have much in common apart from cricket colonialism and Gandhi both countries are important players in the global South As India emerges as a major economic power the need to understand these links becomes ever more pressing Can the two countries enter balanced forms of exchange What forms of transnational political community between these two regions have yet to be researched and understood The first section of *South Africa and India* traces the range of historical connection between the two countries The second section explores unconventional comparisons that offer rich ground on which to build original areas of study This innovative book looks to a post American world in which the global South will become ever more important Within this context the Indian Ocean arena itself and South Africa and India in particular move to the fore The book s main contribution lies in the approaches and methods offered by its wide range of contributors for thinking about this set of circumstances
