Racially Biased Policing A Principled Response:

Racially Biased Policing Lorie A. Fridell, 2001 **The Encyclopedia of Police Science** Jack R. Greene, 2007 First published in 1996 this work covers all the major sectors of policing in the United States Political events such as the terrorist attacks of September 11 2001 have created new policing needs while affecting public opinion about law enforcement This third edition of the Encyclopedia examines the theoretical and practical aspects of law enforcement discussing past and present practices **Racially Biased Policing** Lorie A. Fridell, Police Executive Research Forum, United States. Department of Justice. Office of Community Oriented Policing Services, 2001 Producing Bias-Free Policing Lorie A. Fridell, 2016-08-03 This Brief provides specific recommendations for police professionals to reduce the influence of implicit bias on police practice which will improve both effectiveness in a shift towards evidence based rather than bias based practices and police legitimacy The author is donating her proceeds from this book to the National Law Enforcement Officers Memorial Fund nleomf.org **The Oxford Handbook of Police and Policing** Michael Dean Reisig, Robert J. Kane, 2014 The police are perhaps the most visible representation of government They are charged with what has been characterized as an impossible mandate control and prevent crime keep the peace provide public services and do so within the constraints of democratic principles The police are trusted to use deadly force when it is called for and are allowed access to our homes in cases of emergency In fact police departments are one of the few government agencies that can be mobilized by a simple phone call 24 hours a day 7 days a week They are ubiquitous within our society but their actions are often not well understood

Racialized Policing Elizabeth Comack, 2012-03-01T00:00:00Z Policing is a controversial subject generating considerable debate One issue of concern has been racial profiling by police that is the alleged practice of targeting individuals and groups on the basis of race Racialized Policing argues that the debate has been limited by its individualized frame As well the concentration on police relations with people of colour means that Aboriginal people's encounters with police receive far less scrutiny Going beyond the interpersonal level and broadening our gaze to explore how race and racism play out in institutional practices and systemic processes this book exposes the ways in which policing is racialized Situating the police in their role as reproducers of order Elizabeth Comack draws on the historical record and contemporary cases of Aboriginal police relations the shooting of J J Harper by a Winnipeg police officer in 1988 the Starlight Tours in Saskatoon and the shooting of Matthew Dumas by a Winnipeg police officer in 2005 as well as interviews conducted with Aboriginal people in Winnipeg's inner city communities to explore how race and racism inform the routine practices of police officers and define the cultural frames of reference that officers adopt in their encounters with Aboriginal people In short having defined Aboriginal people as troublesome police respond with troublesome practices of their own Arguing that resolution requires a fundamental transformation in the structure and organization of policing Racialized Policing makes suggestions for re framing the role of police and the order they reproduce *Commerce, Justice, Science, and Related Agencies*

Appropriations for 2015 United States. Congress. House. Committee on Appropriations. Subcommittee on Commerce, Justice, Science, and Related Agencies, 2014 *Police Leadership in a Democracy* James Isenberg, 2017-07-27 Every day the media floods the airwaves with their often contradictory version of the role and behavior of the police force Based on this you might think that police officers either brutally enforce their own interpretation of the nation's laws or use all the modern tools available to carefully and persistently uncover the special clues that lead Law Enforcement and Justice Administration Clyde L. Cronkrite, 2013 Law Enforcement Policing Security *Social Consciousness in Legal Decision Making* Richard L. Wiener, Brian H. Bornstein, Robert Schopp, Steven L. Willborn, 2007-05-11 This book invites the legal and psychology communities to work together in solving some of our most pressing social problems It examines four controversial areas involving people's perceptions of others The book is therefore a guide to understanding the valuable contribution of social scientific research in policy formulation in the law and it addresses the role of psychology in substantive law and legal decision making
