interviews What unites us in principle is the common good of the sport and with this in mind I do what I can for others it all oils the cogs of the sport Some will see me as a know all yet I am a quiet little man making my mark that s all What is true is that I have made a life study of pigeons and as a teacher I like to impart knowledge and experience My aim is purely to tell it as it is to me and if this is illuminating to others then so be it Pigeon Racing Dugald Lloyd Campbell,1962 **American Pigeon Journal** ,1928 **Staying with the Trouble** Donna J. Haraway,2016-08-25 In the midst of spiraling ecological devastation multispecies feminist theorist Donna J Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants She eschews referring to our current epoch as the Anthropocene preferring to conceptualize it as what she calls the Chthulucene as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices The Chthulucene Haraway explains requires sym poiesis or making with rather than auto poiesis or self making Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures Theoretically and methodologically driven by the signifier SF string figures science fact science fiction speculative feminism speculative fabulation so far Staying with the Trouble further cements Haraway s reputation as one of the most daring and original thinkers of our time
