Shepherd, 2015-12-17 R S Thomas's presentation of God has given rise to controversy and dissent Exploring Thomas's techniques of creating his images of God Elaine Shepherd addresses the problems surrounding the language of religion and of religious poetry Refusing to limit herself to conventionally religious poems and drawing on material from the earliest work to Counterpoint and beyond she identifies the challenges with which Thomas confronts his readers The sequence of close readings engages the reader in an exploration of language and image from the image of woman as constructed by the Impressionist to the non image of the mystical theologian R.S. Thomas Elaine Shepherd, 1996 R S Thomas's presentation of God has given rise to controversy and dissent Exploring Thomas's techniques of creating his images of God Elaine Shepherd addresses the problems surrounding the language of religion and of religious poetry Refusing to limit herself to conventionally religious poems and drawing on material from the earliest work to Counterpoint and beyond she identifies the challenges with which Thomas confronts his readers The sequence of close readings engages the reader in an exploration of language and image from the image of woman as constructed by the Impressionist to the non image of the mystical theologian R. S. Thomas Daniel Westover, 2011-09-15 In R S Thomas A Stylistic Biography Daniel Westover traces Thomas's poetic development over six decades demonstrating how the complex interior of the poet manifests itself in the continually shifting style of his poems **R. S. Thomas** Tony Brown, 2009-09-15 At his death in 2000 R S Thomas was widely considered to be one of the major poets of the English speaking world having been nominated for the Nobel prize for Literature With Dylan Thomas R S Thomas is probably Wales's best known poet internationally Tony Brown provides an introduction to R S Thomas's life and work as well as new perspectives and insights for those already familiar with the poetry His approach is broadly chronological interweaving life and work in order to evaluate Thomas's poetic achievement In addition to presenting a full discussion of Thomas's poetry and its movements over time between personal spiritual and political concerns Tony Brown also examines Thomas's contribution to the culture of Wales not just in his writing but also his political interventions and activism on behalf of Welsh language and culture A Masterwork of Doubting-Belief John G. McEllhenney, 2013-02-13 R S Thomas 1913 2000 was a major poet of the twentieth century He was respected by luminaries of the literary establishment recognized with numerous awards and nominated for the Nobel Prize in 1996 Thomas was also a priest of the Anglican Communion who wrestled ceaselessly with problems of faith and doubt in his poetry John G McEllhenney makes R S Thomas poems ministry and irascible character come brilliantly alive in his new book A Masterwork of Doubting Belief R S Thomas and His Poetry McEllhenney who developed a personal relationship with Thomas during the last decade of the poet's life draws on his conversations and correspondence with Thomas as well as his experiences as a clergyman and lover of poetry and offers readers a unique experience that is part biography part appreciation and part religious meditation A Masterwork of Doubting Belief is an important new contribution

to our understanding of R S Thomas and an inspiring source of insights for all who struggle with their faith **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 Vanishing Voices Katarzyna Dudek,2020-01-15 The nature of silence is hard to grasp This book serves to systematize this concept and explore it in the works of three major poets of religious experience namely Gerard Manley Hopkins T S Eliot and R S Thomas Since these poets worked within a Christian framework the silences they refer to are mainly those emerging in the context of the relationship between God and man in a post Christian climate The book s textual analyses place special attention on the dynamics between thematic and structural manifestations of silence and are situated at the crossroads of the poetics philosophy and theology In this first study bringing together the poetry of Hopkins Eliot and Thomas the three poets each in his unique way emerge as poetic ministers practitioners and producers of silence who try to find a new language to talk about the Ineffable God and one s experience of the divine Refashioning Myth David McInnis,Eric Parisot,Jessica Wilkinson,2020-05-15 Robert Graves tells us that the poet s first enrichment is a knowledge and understanding of myths Certainly as this collection of essays poems and visual images affirms mythology has been a field richly mined by poets and artists from antiquity through to the present day It is testament to both the enduring power of myth as well as the adaptability of its form that poets and writers continually turn to the mythic for both inspiration and guidance This volume presents a diverse collection of analytical and creative works by scholars poets and visual artists in response to their varied explorations of the prolific dialogue that exists between myth and poetry *Encyclopedia of British Poetry, 1900 to the Present* James Persoon,2015-04-22 Presents a comprehensive A to Z reference with approximately 450 entries providing facts about contemporary British poets including their major works of poetry concepts and movements **Spirit Matters** Philip Gabriel,2006-02-28 Spirit Matters is a ground breaking work the first to explore a broad range of writings on spirituality in contemporary Japanese literature It draws on a variety of literary works from enormously popular fiction Miura Ayako s Hy ten and Shirokari Pass and the novels of Murakami Haruki to more problematic serious fiction e Kenzabur s Somersault to nonfiction meditations on martyrdom and miracles Sono Ayako s Kiseki and the dynamics of religious cults Murakami s interviews with members of Aum Shinriky in Underground The first half of the volume focuses on the work of two women

Christian writers Miura Ayako and Sono Ayako Combining a decidedly evangelistic bent with the formulas of the popular novel Miura's 1964 novel *Hyōten* Freezing Point and its sequel are entertaining perennial bestsellers but also treat spiritual issues like original sin that are largely unexplored in modern Japanese literature Sono's *Kiseki* Miracles and Miura's *Shiokari* Pass focus on the meaning of self sacrifice and the miraculous and survey both the paths by which people come to faith and the spiritual doubts that assail them Perhaps most striking for Western readers Gabriel reveals how Miura's novel shows the lingering resistance to Christianity and its oppositional nature in Japan and how in *Kiseki* Sono considers the kind of spiritual struggles many Japanese Christians experience as they try to reconcile their belief in a minority faith
