Seeing Around Corners How Creative People Think:

Seeing Around Corners Harry M. Bobonich, 2002 Seeing Around Corners Rita Gunther McGrath, 2019 The first prescriptive innovative guide to seeing inflection points before they happen and how to harness these disruptive influences to give your company a strategic advantage Paradigmatic shifts in the business landscape known as inflection points can either create new entrepreneurial opportunities see Amazon and Netflix or they can lead to devastating consequences e.g. Blockbuster and Toys R Us Only those leaders who can see around corners that is spot the disruptive inflection points developing before they hit are poised to succeed in this market Columbia Business School Professor and corporate consultant Rita McGrath contends that inflection points though they may seem sudden are not random Every seemingly overnight shift is the final stage of a process that has been subtly building for some time Armed with the right strategies and tools smart businesses can see these inflection points coming and use them to gain a competitive advantage Seeing Around Corners is the first hands on guide to anticipating understanding and capitalizing on the inflection points shaping the marketplace

The Essential College Professor Jeffrey L. Buller, 2009-12-21 The Essential College Professor is about the how and why of being a faculty member today Based on the author's series of highly successful faculty development workshops each chapter deals concisely with the most important information college professors need at their fingertips when confronted by a particular challenge or faced with an exciting opportunity Written both as a comprehensive guide to an academic career and as a ready reference to be consulted whenever needed The Essential College Professor emphasizes proven solutions over untested theories and stresses what faculty members have to know now in order to be successful in their careers Each chapter is concluded by a short exercise that faculty members can perform to help them for instance completely revise a course by restructuring the syllabus and course materials bring new life to a research project by reframing it as a book proposal or grant application and so on Being You: How to Live Authentically Doyle Doyle, 2012-01-09 Being You is about reaching your highest potential through authentic living It helps you to exercise your own choices and feel and act with confidence and effectiveness in every situation to be free of fear and doubt to have a life filled with meaning success and well being This is the freedom to live according to your unique needs personality purpose and values to be accepted unconditionally for who and what you are to feel all life's pain as well as its joys to live from the heart trusting your inner nature and your experience of the world and to accept responsibility for all your actions The philosophy of Adaptive Freedom outlined in the book shows that the ability to adapt and grow is the essence of personal freedom which is the core of authenticity You need to be adaptive to be free and both make it easier to become truly authentic The power to change and realize the life of your highest imaginings lies in the Freedom Code a set of seven practice pillars offering a liberation path to self fulfillment a code to unlock the greatness that lies within The seven pillars create new ways to guide you through knowledge to self awareness and purposeful action They offer a systematic and holistic framework to help you lead a
