Congress, 1998 **Policy Analysis and Public Choice** William A. hearts and minds of the citizenry then we would pick good leaders and that we must train up each generation to be aware of what is going on in the world to check the tyranny being imposed Just since the 1960 s Americans have given up their very lives to expose the real dangers to our republic men influenced and owned by evil belonging to secret societies and taking secret oaths Like President John Kennedy Martin Luther King Jr and Robert Kennedy and so many other lesser known patriots Donald Trump has called them out He is now squarely in their literal crosshairs But their failure to kill him has awakened many citizens and the annals of history will show John Adams quite correct the Wars of the Reformation Still go on The developed written record given us by many biographers and historians is a shameful propaganda campaign But truth is moving itself into the light designing men of academia too are being exposed Chief Justice John Marshall heralded by legal scholars across the spectrum led a rogue judiciary Henry Clay and Daniel Webster also praised within the written record headed a rogue legislature and President Andrew Jackson a man that Jefferson thought unfit for public office proved a despot to the constitution Indeed these men worked tirelessly to lay the foundations for a consolidated and tyrannical government bringing us to the point we have arrived today Let the truths displayed within these pages be known to the ends of the earth
