Senator Pothole Leonard Lurie,1994 How D Amato committed perjury before a grand jury and then admitted it ten years later when the statute of limitations had run out His involvement in the savings and loan scandal How D Amato intimidated the Senate Ethics Committee members into slapping him on the wrist instead of expelling him from the Senate The Man Who Sold the World William Kleinknecht,2010-01-26 Since Ronald Reagan left office and particularly after his death his shadow has loomed large over American politics Republicans and many Democrats have waxed nostalgic extolling the Republican tradition he embodied the optimism he espoused and his abilities as a communicator This carefully calibrated image is complete fiction argues award winning journalist William Kleinknecht The Reagan presidency was epoch shattering but not as his propagandists would have it because it invigorated private enterprise or made America feel strong again His real legacy was the dismantling of an eight decade period of reform in which working people were given an unprecedented sway over our politics our economy and our culture Reagan halted this almost overnight In the tradition of Thomas Frank s What s the Matter with Kansas Kleinknecht explores middle America starting with Reagan s hometown of Dixon Illinois and shows that as the Reagan legend grows his true legacy continues to decimate middle America *Hitler's Silent Partners* Isabel Vincent,2011-03-04 Award winning journalist Isabel Vincent unravels the labyrinthine story behind the headlines by taking us through the life of survivor Ren e Appel who found refuge in Canada With her we come to understand what it means to wait for justice how on the eve of war desperate men and women entrusted their life savings to Swiss banks how Nazis laundered gold looted from Jewish families how the demands of international business Swiss bank secrecy and greed kept the truth hidden for over half a century and still prevent restitution from being made Hitler s Silent Partners is a rigorous and often heartbreaking look at statistics seldom given a human face **New York State and the Rise of Modern Conservatism** Timothy J.
