What's Here Now? Jeanne Stevens, 2022-05-17 Life is filled with uncertainty, and people have never needed peace more. When it comes down to it, what keeps us from experiencing peace in our lives is either living in the past or living for the future. When we obsess over what's already happened or put all of our efforts into creating a picture-perfect tomorrow, we miss what God has for us here and now. The result is regret over what we can't change and anxiety over what we feel we must change. That's not what God wants for us. With honest transparency, hope-filled compassion, and plenty of vulnerable humor, pastor Jeanne Stevens reveals the shockingly simple path to peace and presence. She helps you slow down, center yourself, and ask the all-important question: What's here now? Jeanne gives readers practical tools to move from obsessing about the past or worrying about the future to experiencing peace and purpose in the present moment. By incorporating this simple question into your everyday life, you will experience freedom from unhealthy patterns of relating to God and others through the avenues of shame, guilt, worry, and anxiety.
