*The Ladies' Home Journal* ,1999-05 New Self, New World Philip Shepherd,2011-05-31 In the tradition of Quantum Healing and Guns Germs and Steel Philip Shepherd s New Self New World makes an intellectual inquiry into how we might restore freedom creativity and a sense of presence in the moment by rejecting several fundamental myths about being human New Self New World challenges the primary story of what it means to be human the random and materialistic lifestyle that author Philip Shepherd calls our shattered reality This reality encourages us to live in our heads self absorbed in our own anxieties Drawing on diverse sources and inspiration New Self New World reveals that our state of head consciousness falsely teaches us to see the body as something we possess and to try to take care of it without ever really learning how to inhabit it Shepherd articulates his vision of a world in which each of us enjoys a direct unmediated experience of being alive He petitions against the futile pursuit of the known self and instead reveals the simple grace of just being present In compelling prose Shepherd asks us to surrender to the reality of what is that enables us to reunite with our own being Each chapter is accompanied by exercises meant to bring Shepherd s vision into daily life what the author calls a practice that facilitates the voluntary sabotage of long standing patterns New Self New World is at once a philosophical primer a spiritual handbook and a roaming inquiry into human history **Growing Sideways in Twenty-first Century British Culture** Anne Malewski,2021-12-15 This volume examines changing boundaries between childhood and adulthood in British society and culture at the beginning of the twenty first century where these age boundaries are widely debated policed and contested to investigate alternatives to conventional ideas of growing up Building on observations especially in children s literature criticism that human growth is shaped by a grand narrative that privileges adulthood and on terminologies of non normative growth particularly in queer theory this monograph develops growing sideways as a concept that queers this grand narrative by destabilising childhood and adulthood and the boundaries between them The concept is refined through close readings of twenty first century British children s literature television series film and participatory events troubling age boundaries via specific strategies in three conceptual areas appearance play and space Exploring power structures around age and gender

this monograph traces growing sideways as a distinct and important alternative discourse of human growth     Thriving In The 21st Century Russell Jaffe, MD, PhD, CCN, 2022-02-15 The 21st century has brought with it unprecedented challenges Health and environmental effects of toxins introduced in the last half century have led to reductions in life expectancy reproductive health and quality of life and increases in anti nutrients loss of quality soil impaired immune defense and repair and digestive disorders Despite these challenges there are still remarkable opportunities for those who choose more wisely This book is a guide to reconnecting and rediscovering your healing capacities by embracing a nature nurture and wholeness approach to life Thought leading scientist and integrative health care pioneer Russell Jaffe MD PhD CCN shares wisdom gained over half a century in medicine science and spiritual practices that have taught him how to live long and well especially in times of unprecedented stress and toxins His approach is personal evidence based and consists of practical ways of saving your life and the life of those about whom you care Starting with today s scientific evidence and incorporating wisdom traditions Dr Jaffe invites the reader on a journey of self assessment self discovery and self awareness You are unique Your chemistry your relationships and your history all interconnect to make you who you are Dr Jaffe explains what to measure what the measurements mean functionally and what to do to overcome the challenges of the 21st century and add decades of quality life     **A Pathway To Union** Ariana Khent, 2010-03 A Pathway to Union challenges a five thousand year old masculine dominant belief system which fosters division separation and death and offers an in depth look at a new balanced feminine and masculine perspective that promotes wholeness interconnectedness and respect for life Learn how you can facilitate this evolutionary transition by observing tapping into and trusting the data streaming from your feelings heart feminine thoughts mind masculine and the physical body In this transformative step by step guide you will See how the masculine qualities of action leadership and thinking must always contain the feminine characteristics of compassion creativity and feeling Probe the benefits of setting healthy boundaries utilizing left and right brain functions living in the present and much more Discover your invaluable worth and the contribution personal transformation makes to humanity s collective shift Raise your awareness through practical supportive exercises and narrative stories Marrying the feminine heart and masculine mind requires a radical shift in consciousness A Pathway to Union serves as a blueprint to awaken and explore what it means to fully integrate feminine and masculine attributes into your life in the twenty first century     *Global Leaders for the Twenty-First Century* Michael J. Blustein,2016-09-21 This Research Topic explores issues that are central to the continued relevance of organizational and vocational psychology and equally central to the well being of individuals and communities The cohering theme of this publication revolves around the question of how people can establish meaningful lives and meaningful work experiences in light of the many challenges that are reducing access to decent work Another essential contextual factor that is explored in this volume is the Decent Work Agenda International Labour Organization 2008 which represents an initiative by the International Labour Organization In this book we hope to enrich the Decent Work Agenda by infusing the knowledge and perspectives of psychology into contemporary discourses about work and well being Another inspiration for this project emerged from the UNESCO Chair in Lifelong guidance and counseling recently established in Poland in 2013 under the leadership of Jean Guichard which has focused on advancing research and policy advocacy about decent work This new era calls for an innovative perspective in constructing decent work and decent lives the passage from the paradigm of motivation to the paradigm of meaning where the sustainability of the decent life project is anchored to a meaningful construction During this period when work is changing so rapidly leaving people yearning for a sense of connection and meaning it s fundamental to create a framework for an explicitly psychological analysis of decent work      Unsecured Ladders G. Robinson,2009-08-28 The book addresses the vital issue of how business leaders can prepare themselves to deal with the impact of unexpected events It raises key questions for leaders to address if they are to avoid being distracted by crisis and remain in touch with a wider context that is subject to constant uncertainty and change
