Brazilian Literature as World Literature Eduardo F. Coutinho, 2018-02-22 Brazilian Literature as World Literature is not only an introduction to Brazilian literature but also a study of the connections between Brazil's literary production and that of the rest of the world particularly European and North American literatures It highlights the tension that has always existed in Brazilian literature between the imitation of European models and forms and a yearning for a tradition of its own as well as the attempts by modernist writers to propose possible solutions such as aesthetic cannibalism to overcome this tension

The Classical Tradition in Portuguese and Brazilian Poetry Maria de Fátima Silva, Lorna Hardwick, Susana Marques Pereira, 2022-02-21 This book includes 21 chapters dedicated to the study of contemporary Portuguese and Brazilian poets influenced by the Greco Roman tradition It integrates the international bibliography on reception studies in an Ibero American context However the comparison between poets from the two countries highlights the cultural community that despite the differences unites them Travels routes and adventures taken in a linear or symbolic sense are the common trace of all contributions The variety of tastes the greater or smaller closeness to the ancient models and the authors preferences contribute to an overall view of the classical imprint on contemporary poetry as a specific area of literature
