## Sermon Starters For Fifty Two Sundays:

**Fifty-two Weeks with Paul and the Philippians** Paul A. Reid, 2024-04-09 This Bible study aid uses Paul's letter to the Philippian church to help Christians find joy and peace in a world filled with dissension, strife and sadness. The apostle Paul provides a down to earth approach to heavenly things and helps us overcome negative influences by redirecting our minds to truth, nobility, purity, loveliness, excellence and praise. The passage of almost two thousand years has made this New Testament Epistle's faith building messages all the more relevant. There are 365 lessons inside this book and they convert Philippians 104 verses into a daily prescription for spiritual therapy. Paul the Apostle has much to say about a joy filled walk with and knowledge of Jesus. He can help us all find a path to contentment whatever our situation. history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon  
structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not  
as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principlize  
Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of  
Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance  
which are apparent in the outline of the sermon How Effective Sermons Advance provides a thorough and comprehensive
