MacMillan Kiiru, 2004 **Redeeming The Time** Daryl Poe, 2024-10-08 The Church's immutable mission is to intentionally share Christ's kingdom The believer's divine journey remains absolute purposeful and communal Even so as the church endeavors to fulfill its mission obstacles obscure the pathway forward Our once enlightened society slowly dims with the dissolution of revered institutions especially those of marriage and the family Prevailing secular humanism assigns Christian orthodoxy to the realm of fictional radicalism Amid such traumatic chaos can the church maintain a faithful outlook In a post Christian world how does the Church move forward Redeeming the Time God's CLEAR Path Forward biblically examines Christ's transformational leadership as the standard required for church revitalization Meaningful Church membership can only be found by loving and following Christ alone He is The Way forward Accordingly church leaders must adopt Christ's servant leadership philosophy with a unified partnership that renews our ministries to our families church and community Believers are summoned to live a spiritually disciplined life for the purpose of godliness Essential discipleship therefore must center upon full obedience to the Holy Scripture not out of mere duty but from an intimate loving disciple's relationship The ministry objective is to engage discipleship not as a program or church function but as a Christian lifestyle that is begun and nurtured in the home Focusing on parental responsibility is not to suggest that the community of faith has no didactic role rather it better organizes and supports biblical discipleship in the context of the family unit Redeeming the Time biblically examines Christ's transformational leadership as the servant way the appointed way the passionate way and the challenging way For all who follow Him He is our CLEAR Path forward *Leadership Points Of Connection* Dr. Bobbi Y.

Jesus, Paul, and Power Rick F. Talbott, 2010-08-01 Jesus of Nazareth and Paul of Tarsus represent two of the most influential figures of history because of the expansion of later Christianity But Christianity s historical development includes a checkered and troubling past of abusive power that also impugns both Jesus and Paul European colonialism carried the gospel to the world claiming Jesus and Paul as architects of its oppressive empire building Modern churches in America quote Jesus and Paul to inspire inform and justify a host of cultural values that often include the subordination of women and marginalization of others who differ in beliefs values and lifestyles Talbott analyzes how Jesus and Paul responded to the systems of oppressive power in their day and how each in turn used power to form their respective communities The conclusions are based on the most recent scholarly approaches to Jesus and Paul and will enable modern readers to judge for themselves how Jesus and Paul envisioned the use of power among their communities

Keefer, C. Neil Strait, 2001-11-07 Antoine Frédéric Ozanam Raymond L. Sickinger, 2017-06-30 Raymond Sickinger's biography of Antoine Frédéric Ozanam is more than a chronological account of Ozanam's relatively brief but extraordinary life. It is also a comprehensive study of a man who touched many lives as a teacher, writer, and principal founder of the Society of St. Vincent de Paul. Ozanam's life encompassed a particularly turbulent time in French history, and he was a witness to two major political upheavals: the overthrow of the Bourbon dynasty that brought Louis Philippe to power in 1830 and the end of Louis Philippe's Bourgeois Monarchy as a result of the 1848 Revolutions. This book examines Ozanam's life in a number of ways. First, it explores the various roles he played throughout his life: son, sibling, student, member of, and an inspiration for the Society of St. Vincent de Paul; spouse and father; scholar and spokesperson for the common people. Second, it examines the lessons he learned in his life, including the importance of friendship, the meaning of solidarity, and the role and purpose of suffering among many others that he shares with those who study his thought and work. It concludes with an account of Ozanam's enduring legacy. Antoine Frédéric Ozanam feared that he would not have a fruitful career, but his legacy remains a powerful testimony to his greatness. This book will interest scholars wishing to know more about Ozanam and the period in which he lived, as well as a wider audience, including those who are aware of or are members of the Society of St. Vincent de Paul.
