My Journey To Freedom:

My Journey to Freedom Judith K. Lowe, 2005-03-10 *My Journey to Freedom* is a tale of a young girl growing up in war torn Romania and her trials and efforts to become a physician and practice medicine in communist Romania and free America On her plane flight to freedom she reflects on the difficult years as a young girl growing up in Romania during turbulent times Born to two Jewish physicians her comfortable life is soon shattered by war Initially the hardships of rationing give way to the terror of Jewish persecution and the destruction of combat After the war she becomes a doctor and is sent to a country practice in a nation now under communist control She vividly recounts her practice of medicine under difficult bureaucratic and sometimes primitive conditions Her story is peppered with heart wrenching medical cases about trying to provide optimal health care under these difficult circumstances Finally arriving in America she pursues her desire to continue her professional practice and recounts her struggle to achieve this goal Again the personal medical stories help demonstrate that her passion and dedication she showed in Romania are carried to her new country Her new family of patients though of different means shows adulation very similar to the more country peasants Though there are many stark contrasts between her practice under communist rule and that of her American practice there is a similarity of physician dedication and effort and in return the patients appreciation and gratitude I much enjoyed this book and found it very entertaining and well done It was quite interesting to see the ravages of WWII through a young Jewish girls eyes I especially liked reading about the specific medical cases and viewing them in the context of the hardships frustrations and challenges brought about the practice of medicine in an isolated rural area under communist rule I also took pleasure in learning about the contrasts and similarities in the medical care and technology in a communist controlled relatively primitive area and time versus that of modern treatment in America I delighted in the revelations that despite stark differences between these two settings doctor dedication and patient gratitude remains reassuringly very similar Jeffrey Hahn M D Diplomate in Internal Medicine and Endocrinology *My Journey To Freedom* Mattie Mullet, 2012-05-01 I hope this book helps clear up the

my freedom This is my story this is me Back cover The Dark Night of Faith: My Journey from Abuse to Freedom Jennifer Faith, 2021-05-25 Every day in America four women are murdered by their spouses or intimate partners This statistic does not change in the church In fact one reason many women remain in violent marriages is due to a narrow understanding of Scripture and of God's heart For these women Jennifer Faith has a word it is not God's will for you to be abused For over twenty years Jennifer lived a secret life a life of fear and shame a daily existence marked by powerlessness and oppression Yet God was always there long before she was able to distinguish between his loving voice of truth and the lies that kept her captive If she had not finally allowed Him to intervene Jennifer would not likely be here today to tell her story and to give Jesus her compassionate pursuing Savior all the glory With honesty and humility Jennifer recounts how she came to find herself in a violent marriage the red flags she missed the toxic thinking that made her a victim rather than a victor With courage she shares her journey from horror to wholeness She provides resources to help women answer the questions that keep battered women stuck Am I in an abusive relationship What if it's my fault Is it biblical to leave And she offers hope that just as God made a way for her to journey out of darkness into a life of light and freedom he wants to do the same for others

Road Trip to Freedom Patrick A. Bruner, 2008 Consequences stem from the choices we make The results may come from exposures to socialization and enculturation While these affects are sometimes good at times we may need to re address our views We have a tendency to perceive our realities in similar ways due to repetition shared with our social institutions our language we speak and our ever increasing diverse culture Now is the time to employ the critical theory If we were taught that we cannot change the world maybe together we can There may be times when un learning something can be as important as learning something new The old cliché like father like son may not necessarily be true Always study your Bible and always ask the Holy Spirit for guidance before acting upon any revelation during this journey of transformation and those journeys to follow Write notes in your journals on the back pages of each chapter Please join me in a prayer and may God Bless each of you Dear Lord Please give me the power to openly declare that I am now free from the fears from Man and those fears from within These fears have been a trap and pit for me most of my life here on earth Please continue to give me the strength and needed knowledge to trust in and depend upon you Lord I put my confidence in you Lord God from here on I am safe special in your eyes and ready to seek eternity on high with you Lord In Jesus name we pray amen Patrick Bruner
