On the Move Margaret Simpson, 2004 Find out how Afghan cameleers maintained their pack saddles to stop saddle sores how Holden cars cornered the market how Australian aviators conquered the skies and why riding in a Cobden Co coach could make you feel seasick **Connecting the Nation** Paul Ashton, Tracy Ireland, Jaya Keaney, Alison Wain, Mitchell

Whitelaw, 2017-01-01 Aviation has played an important part in shaping Australia's culture and history through the course of the twentieth century Australia embraced aviation from its earliest days eagerly responding to its potential to cover a challenging country to bring far flung communities closer and to provide services that could not be delivered any other way Add the romance of pioneer heroes the vital role of aviation in wartime and the capacity to deliver aid to people in need in Australia and beyond and it is clear why aviation is at the heart of Australia's recent history This book aims to set out the major themes that characterise Australia's aviation history for a broad audience and to provide a foundation for a broader discussion and for further research about how aviation transformed Australia *Connecting the Nation* is a vital and timely introduction to the history of civil aviation in Australia as we prepare for the centenary of civil aviation services in 2020

The Limits of Peacekeeping: Volume 4, The Official History of Australian Peacekeeping, Humanitarian and Post-Cold War Operations Jean Bou,Bob Breen,David Horner,Garth Pratten,Miesje de Vogel,2018-10-10 The Limits of Peacekeeping highlights the Australian government s peacekeeping efforts in Africa and the Americas from 1992 to 2005 Changing world power structures and increased international cooperation saw a boom in Australia s peacekeeping operations between 1991 and 1995 The initial optimism of this period proved to be misplaced as the limits of the United Nations and the international community to resolve deep seated problems became clear There were also limits on how many missions a middle sized country like Australia could support Restricted by the size of the armed forces and financial and geographic constraints peacekeeping was always a secondary task to ensuring the defence of Australia Faith in the effectiveness of peacekeeping reduced significantly and the election of the Howard Coalition Government in 1996 confined peacekeeping missions to the near region from 1996 2001 This volume is an authoritative and compelling history of Australia s changing attitudes towards peacekeeping
