Please Kill Me:

Please Kill Me Legs McNeil, André Malraux, Gillian McCain, 2006 Now in paperback this first oral history of the most nihilistic of all pop movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony Please Kill Me reads like a fast paced novel but the tragedies it contains are all too human and all too real photos

Please Kill Me Legs McNeil, Gillian McCain, 2023-04-18 The twentieth anniversary edition of the utterly and shamelessly sensational history of punk music featuring new photos and an afterword by the authors Newsday A contemporary classic Please Kill Me is the definitive oral history of the most nihilistic of all pop movements Iggy Pop Lou Reed Richard Hell the Ramones and scores of other punk figures lend their voices to this decisive account of that explosive era Editors Legs McNeil and Gillian McCain two of punk music s greatest chroniclers follow the movement from its roots in the 1960s underground of New York City to its arrival in the UK with bands like The Sex Pistols and The Clash to its unlikely emergence as a global cultural force whose impact is still felt today

Find and Kill Him Sourabh Arora, 2016-10-19 Do you have a fancy for an ideal match or ever had even to score high in school time Or have you ever been an aspirant to become a billionaire but the destiny never offered you the options of your choice Shit Instantly grab a chair let me reveal a secret to you Such things happen to one when any evil attacks on him and treats him as his guest house Yes I ve started my journey to find and kill that evil before it attacks and kills me before I fulfill my desires Would you accompany me to find and kill him

From Chaos to Ambiguity Jeremy Hunt, 2024-10-29 A love letter to the sonic maelstrom that is noise rock From Chaos to Ambiguity charts a path of exploration through a fertile but often ignored genre of music tracing its history through roots in both punk and no wave into the full fruition of noisy madness This text puts these transgressive sounds into dialogue with various strains of subversive theology inviting readers into borderland spaces where the brokenness of humanity can both be fully embraced and traversed into healing liberation and celebration

Year 2150 Kevin S. Kim, 2016-06-13 Year 2150 By Kevin S Kim Damon Brown was only a teenager when there was an outbreak People were infected crops were drying up and society was going to hell He found himself alone with only his adopted brother for company Both of them were on the run from a band of evil scientists That was until they were rescued by a renegade army The army taught the brothers about their supernatural lineages and how to defend their land The safe haven did not last very long The introduction of new faces combined with hidden agendas made for a treacherous war zone

Tears for My Mother Burt Rashbaum, 2010-02-09 A heart bruising dive into the terror of Alzheimers This memoir like tale told through the eyes of a care giving daughter and the clouded mind of her declining mother had me racing to the final page Rashbaum cleverly weaves these two views of this harrowing journey through inner thoughts and honest dialogue to paint an un Norman Rockwell portrait of one familys struggle with this horrible disease Jay Gilbertson author of Moon Over Madeline Island and Back to Madeline Island Penning from the internal landscape of another is difficult enough but doing so from the mind of a mentally tormented soul with all the nuances of such

complexity is beyond comprehension This is what Burt Rashbaum has accomplished in his brilliant portrayal of his mother as she experiences the devastation of Alzheimers Not to sound too otherworldly about this I do believe she must have guided Burt from beyond for the portrayal to have been so heartbreakingly accurate A must read for all Peggy Warren author of *Very Much a Womans Book* and *Gathering Peace* **Punk Rock** Mindy Clegg,2022-08-01 Punk Rock examines the history of punk rock in its totality Punk became a way of thinking about the role of culture and community in modern life Punks forged real alternatives to producing popular music and built community around their music This punk counterpublic forged in the late Cold War period spanned the globe and has provided a viable cultural alternative to alienated young people over the years This book starts with the rise of modernity and places the emergence of punk as a musical subculture into that longer historical narrative It also reveals how punk itself became a contested terrain as participants sought to imbue the production of music with greater meaning It highlights all styles of punk and its wide variety of creators around the world including from the LGBTQ feminist and alternative communities Punk was and remains a transnational phenomenon that influences music production and shapes our understanding of culture s role in community building **Red Asphalt** Scott Cherney,2008-02-23 Calvin Wheeler is an American dreamer in a triple threat cage match with his two biggest adversaries everyday life and himself His marriage to the woman he believed to be his soul mate is rapidly evaporating before his eyes The book he s been working on for over a decade is slipping through his fingers as he struggles to complete it As these pressures grow Calvin compensates by conjuring up outrageous road rage scenarios in the multiplex of his mind To make matters even worse he drives for a living As his life job and dreams simultaneously implode his wild fantasies begin to literally bleed over into reality Now with a gun in one hand and a steering wheel in the other this distant runner up in the human race feels empowered for the very first time At least our boy s finally found a purpose in life **Red Asphalt** tells a violent tragic tale with darkly humorous touches and pointed social commentary And the moral to the story Traffic can be murder **Glitter Up the Dark** Sasha Geffen,2020-04-07 Why has music so often served as an accomplice to transcendent expressions of gender Why did the query is he musical become code in the twentieth century for is he gay Why is music so inherently queer For Sasha Geffen the answers lie in part in music s intrinsic quality of subliminal expression which through paradox and contradiction allows rigid gender roles to fall away in a sensual and ambiguous exchange between performer and listener **Glitter Up the Dark** traces the history of this gender fluidity in pop music from the early twentieth century to the present day Starting with early blues and the Beatles and continuing with performers such as David Bowie Prince Missy Elliot and Frank Ocean Geffen explores how artists have used music fashion language and technology to break out of the confines mandated by gender essentialism and establish the voice as the primary expression of gender transgression From glam rock and punk to disco techno and hip hop music helped set the stage for today s conversations about trans rights and recognition of nonbinary and third gender identities **Glitter Up the Dark** takes a long look back at the path that led here **The Malloreon** David Eddings,2005 An

omnibus edition containing the first three novels in the best selling fantasy series The Malloreon follows the adventures and exploits of Garion and his companions in Guardians of the West King of the Murgos and Demon Lord of Karanda Original 20 000 first printing The End of August Yu Miri,2024-07-30 From the National Book Award winning author an extraordinary ground breaking epic multi generational novel about a Korean family living under Japanese occupation In 1930s Japanese occupied Korea Lee Woo cheol was a running prodigy and a contender for the upcoming Tokyo Olympics But he would have had to run under the Japanese flag Nearly a century later his granddaughter is living in Japan and training to run a marathon herself She summons Korean shamans to hold an intense transcendent ritual to connect with Lee Woo cheol When his ghost appears alongside those of his brother Lee Woo Gun and their young neighbor who was forced to become a comfort woman to Japanese soldiers stationed in China during World War II she must uncover their stories to free their souls What she discovers is at the heart of this sweeping majestic novel about a family that endured death love betrayal war political upheaval and ghosts both vengeful and wistful A poetic masterpiece that is a feat of historical fiction epic family saga and mind bending story telling acrobatics The End of August is a marathon of literature **Mated To The Devil's Son** Deb Oguare,2025-02-25 I m mated to you Asher I whispered hoping for his acceptance No you re mated to yourself because I can never be with someone like you Asher replied coldly I Asher hereby reject you as my mate Confusion and heartache consumed me as I stared at him my voice trembling Why are you saying all of this to me Because Lenora I can t be your mate I regret accepting to be your boyfriend in the first place it was merely out of pity he declared devoid of emotion Tears welled in my eyes as his words cut through me I ve never loved you Lenora I thought you would grow stronger but you re still the weakest wolf I ve ever encountered even at seventeen Lenora Hunter marked as the weakest wolf in the Serene pack had never let that define her until she faced rejection from Asher her only hope Meanwhile the presence of Alaric the New Alpha struck fear into the hearts of wolves far and wide He was a dreadful and elusive figure known but rarely seen Alaric s arrival in the Serene pack with intentions unknown only added to the turmoil Would Lenora as the weakest wolf survive the clutches of this ferocious predator Could she be an exception to his malevolent ways Book 2 2 Chapter 120 238 **Rebels Wit Attitude** Lain Ellis,2010-08 In Rebels Wit Attitude music writer and professor Iain Ellis throws a spotlight on the history of humor as a weapon of anti establishment rebellion paying tribute to the great rebel humorists in American rock history and investigating comedy and laughter as the catalyst and main expressive force in these artists work The performers who are the subject of Ellis s study are not merely funny people they are those whose art exudes defiance and resistance whether aimed at social structures and mores political systems aesthetic practices or the music industry itself Subversive rock humor has emerged as a formidable force of modern art building a reputation for rock music as a rebellious sometimes dangerous form of expression that can dismay the adult mainstream as it empowers the youth culture In this study of rock s impact on youth through the decades Ellis proves that the most subversive rock humorists serve as the conscience of our culture They

chastise pretensions satirize hypocrisy and pour scorn on power corruption and lies Discussing the work of iconic figures as diverse as Chuck Berry Lou Reed the Ramones the Talking Heads the Beastie Boys Missy Elliott Ellis examines the nature of the rock humorist asking why and in what ways each performer uses humor as a weapon of resistance to various status quos The commentary on these artists work is the basis for a deeper discussion of the historical foundations and other socio cultural contexts of humorous art and Ellis delves into the larger issues of politics nationality geography generation art social class race gender and sexuality that surround his subject The chapters divided by decade include introductory sections outlining each decade s defining forces and contextual features While lyrics constitute Ellis s primary field of analysis his exploration goes well beyond that moving into a discussion and interpretation of image performance product and musical content

Hammira Aditya Malik,2021-06-08 This book is about the legendary Rajput chieftain Hammira Chauhan the king of the impregnable fortress of Ranthambore in southern Rajasthan who died in 1301 CE after a monumental battle against Alauddin Khalji the sultan of Delhi This singular event reverberates through time to the point of creating a historical and cultural region that crystallizes through copious texts composed in different genres and languages Persian Sanskrit Hindi Rajasthani English in shifting religious and political contexts medieval as well as modern The main poetical historical work composed in Sanskrit the Hammira Mahakavya great poem by the Jaina poet Nayachandra Suri 15th century is propelled by a dream in which the dead king urges the poet to write about his deeds Can history with its preoccupation for the factual begin in a dream What does it mean to think about history and time via the imagination Is time whether past present or future linked to imagination Do imagination time and history arise together What are the implications of thinking of history as something that appears in our experience What does it mean to write a history as a historical being in whom diverse temporalities intertwine in the here and now

Critical Mass James Wolcott,2015-04-14 James Wolcott s career as a critic has been unmatched from his early Seventies dispatches for The Village Voice to the literary coverage made him equally feared and famous to his must read reports on the cultural weather for Vanity Fair Bringing together his best work from across the decades this collection shows Wolcott as connoisseur intrepid reporter memoirist and necessary naysayer We begin with O K Corral Revisited Wolcott s career launching account of the famed Norman Mailer Gore Vidal dust off on the original Dick Cavett Show He goes on to consider or reconsider the towering figures of our culture among them Lena Dunham Patti Smith Johnny Carson Woody Allen and John Cheever And we witness his legendary takedowns which have entered into the literary lore of our time In an age where a great deal of back scratching and softball pitching pass for criticism Critical Mass offers a bracing taste of the real thing

Gardens and the Warrior of Heaven Jamon Miller, 2013-03-13 It was sometime in the twenty first century when one discovery revolutionized the world further than any ever before it This was the discovery of a nonlinear power which lies inside of every living and nonliving organism on the planet Its discoverers termed it Meteora With it came the ability to tap into a clean seemingly unlimited source of energy With further study it was found that only a few genetically gifted individuals could use this power World War III was fought between these new beings and the United Governments of the world After fighting to a stalemate the governments and the beings who had access to this power now known as Homospiritus came to an agreement called the Accords Code 23 By law all children born who are capable of using Meteora will be taken for safety reasons to Gardens to learn to control their powers and serve the greater good of the commonwealth Which meant to become a soldier in the army of the new world order Tenchi was four years old when they came for him Despite the best efforts by his mother to keep him hidden and safe he was taken by force to Juneau Gardens which is the home of the Homospiritus and the new governing order of the former United States of America now named Juneau It is a Gardens itself one of a series of peaceful and beautiful utopian societies made up of the now free Homospiritus who under the terms of the Accords were allowed their independence and sovereignty Gardens are realms which demonstrate the height of Meteora manipulation and the coming together of humans with Meteora to create a utopian Shangri La like paradise on a level with the Garden of Eden Now inside of Gardens Tenchi is swept up in a world of Meteora fighting and war to protect a world he does not really feel a part of He is taken from his home his mother and the only family he has ever known and commissioned to fight in a war for the peace and safety of the planet He is forced to go through rigorous training and trials as well as torment from other Homospiritus when the only thing he truly cares about is getting home to his mother And after six years in the Gardens Academy comes to an end he seems to get his chance when at the age of ten Tenchi graduates Now he is an apprentice under the command of a Master Agent who guards trains and protects him and his two other apprentices Ko and Suki In the field as a second level of training Tenchi has a greater degree of freedom though under the careful guidance and tutelage of Master Agent Shaun The team members begin their journey all over the world carrying out peace missions while simultaneously improving and learning how to better use Meteora in real life battle situations all to prepare the young Agents to eventually go out on their own This is vital as it is public knowledge that the life of an apprentice is a very short one Tenchi is then swept up in a series of missions both dangerous and important to the fate and the safety of the whole world Eventually he is sent on a mission where he encounters terrorists with nuclear arms who have also taken their own dark dive into the use of Meteora only to corrupt it Tenchi is given the chance to abandon his mission and continue his own which has always been to return to his mother But now he is faced with a choice to return home or to fight to secure and prevent the misuse of The Sword of Heaven an ancient weapon of unparalleled power forged of Meteora itself If not kept in check The Sword will throw the world into an apocalyptic age from which we may never recover a fate that will visit both

Homospiritus and humankind alike
