Quicksand and Passing Nella Larsen, 2014-05-22 A writer of the Harlem Renaissance Nella Larsen wrote just two novels published here and a handful of short stories Critically acclaimed both speak powerfully of the contradictions and restrictions experienced by black women at that time Quicksand written in 1928 is an autobiographical novel about Helga Crane a mixed race woman caught between fulfilling her desires and gaining respectability in her middle class neighbourhood Written a year later Passing tells the story of two childhood friends Clare and Irene both light skinned enough to pass as white Reconnecting in adulthood Clare has chosen to live as a white woman while Irene embraces black culture and has an important role in her community Nella Larsen s novels are moving characterful and important books She pioneered writing about the conflicts of sexuality race and the secret suffering of women in the early twentieth century *The Complete Fiction of Nella Larsen* Nella Larsen, 2001-11-06 A remarkable volume that brings together the complete fiction of the author of Passing and Quicksand one of the most gifted writers of the Harlem Renaissance An original and hugely insightful writer The New York Times Throughout her short but brilliant literary career Nella Larsen wrote piercing dramas about the black middle class that featured sensitive spirited heroines struggling to find a place where they belonged Passing Larsen s best known work is a disturbing story about the unraveling lives of two childhood friends one of whom turns her back on her past and marries a white bigot Just as disquieting is the portrait in Quicksand of Helga Crane half black and half white who is unable to escape her loneliness no matter where and with whom she lives Race and marriage offer few securities here or in the other stories in this compulsively readable collection rich in psychological complexity and imbued with a sense of place that brings Harlem vibrantly to life **The Historian's Passing** Lynn Domina, 2018-10-01 This meticulously annotated edition of Nella Larsen s novel Passing contextualizes the novel s many historical and cultural references and introduces readers to a central theme crossing the color line in the hopes of living a

more privileged life Nella Larsen's *Passing* is widely regarded as a classic novel of African American literature a groundbreaking work in which the author keenly depicted an under acknowledged element of early 20th century American life crossing the color line in the hopes of living a more privileged life Now readers can appreciate the full text of Larsen's masterpiece accompanied throughout by invaluable annotations that transform this classic into a fascinating historical documentation of American life and society during the Harlem Renaissance This meticulously annotated edition draws on the wealth of race scholarship that has been produced during the last generation to contextualize the novel's many historical and cultural references It includes introductory essays focusing on Nella Larsen's life and its influence on her novel and on events in American history and culture that appear in the novel The book concludes with a comprehensive list of resources for further research

Quicksand Nella Larsen, 1928 Born to a white mother and an absent black father and despised for her dark skin Helga Crane has long had to fend for herself As a young woman Helga teaches at an all black school in the South but even here she feels different Moving to Harlem and eventually to Denmark she attempts to carve out a comfortable life and place for herself but ends up back where she started choosing emotional freedom that quickly translates into a narrow existence *Quicksand* Nella Larsen's powerful first novel has intriguing autobiographical parallels and at the same time invokes the international dimension of African American culture of the 1920s It also evocatively portrays the racial and gender restrictions that can mark a life Fine thoughtful and courageous It is on the whole the best piece of fiction that Negro America has produced since the heyday of Charles Chesnutt W E B Du Bois *Reading for Reform* Laura R.

Fisher, 2019-03-05 An unprecedented examination of class bridging reform and U S literary history at the turn of the twentieth century *Reading for Reform* rewrites the literary history of late nineteenth and early twentieth century America by putting social reform institutions at the center of literary and cultural analysis Examining the vibrant often fractious literary cultures that developed as part of the Progressive mandate to uplift the socially disadvantaged it shows that in these years reformers saw literature as a way to combat the myriad social problems that plagued modern U S society As they developed distinctly literary methods for Americanizing immigrants uplifting and refining wage earning women and educating black students their institutions gave rise to a new social purpose for literature Class bridging reform institutions the urban settlement house working girls club and African American college are rarely addressed in literary history Yet Laura R Fisher argues they engendered important experiments in the form and social utility of American literature from minor texts of Yiddish drama and little known periodical and reform writers to the fiction of Edith Wharton and Nella Larsen Fisher delves into reform's vast and largely unexplored institutional archives to show how dynamic sites of modern literary culture developed at the margins of social power Fisher reveals how reformist approaches to race class religion and gender formation shaped American literature between the 1880s and the 1920s In doing so she tells a new story about the fate of literary practice and the idea of literature's practical value during the very years that modernist authors were proclaiming

art's autonomy from concepts of social utility The Nella Larsen Collection; Quicksand, Passing, Freedom, the Wrong Man, Sanctuary Nella Larsen, 2010-08-01 The Nella Larsen Collection is comprised of five Nella Larsen fiction including Quicksand Passing Freedom The Wrong Man and Sanctuary Quicksand Larsen's first novel tells the story of Helga Crane who is the lovely and refined daughter of a Danish mother and a West Indian black father who abandons Helga and her mother soon after Helga is born Unable to feel comfortable with any of her white skinned relatives Helga travels America visits Denmark searching for people she feels at home with In Passing Clare and Irene are childhood friends who lose touch when Clare's father dies and she moves in with two white aunts By hiding that Clare was part black they allowed her to pass as a white woman and marry a white racist Irene lives in Harlem commits herself to racial uplift and marries a black doctor Passing centers on the meeting of these childhood friends later in life and the unfolding of events as each woman is fascinated and seduced by the other's daring lifestyle Freedom The Wrong Man and Sanctuary are three stories about love loss mistaken identity and death Nellallitea Nella Larsen was an American novelist of the Harlem Renaissance Though her literary output was scant what she wrote earned her recognition by her contemporaries and by present day critics **The Jazz Trope** Alfonso Wilson Hawkins, 2008-06-13 The Jazz Trope takes a look at the African American lifestyle through the lens of jazz blues and spirituals Through the pioneering efforts of Albert Murray Ralph Ellison Houston Baker Henry Louis Gates Jr Ishmael Reed Amiri Baraka and other notable scholars who have related jazz spirituals and blues to African American life and culture The Jazz Trope offers an opportunity to add scholarship to the perception of African American identity as a creative attempt to survive a unique history and struggle Transcending structure and the perimeters that it limits African American musical statements were produced out of a human need to be free Using jazz as a metaphor for escaping slavery jazz can be seen as a creative attempt to exceed restriction through the act of improvisation jazz takes a known melody and changes it to create a personal identity The literary genre of African American life reflects this melding of musical milieu It tells through tropes of the folktale novel self script slave narrative myth and legend a unique American experience and history This book also explores motives and schemes that were hidden behind musical codes illustrating that jazz interrelated with its foundation in blues and spirituals existed as a pre musical statement and then manifested as it is more popularly known as a musical statement The Jazz Trope allows students to grasp the jazz song structure within this work and liken it to the tropes that it emits a true American identity **Losing the Plot** Pardis Dabashi, 2023-11-06 An examination of the relationship between literature and classical Hollywood cinema reveals a profound longing for plot in modernist fiction The modernist novel sought to escape what Virginia Woolf called the tyranny of plot Yet even as twentieth century writers pushed against the constraints of plot driven Victorian novels plot kept its hold on them through the influence of another medium the cinema Focusing on the novels of Nella Larsen Djuna Barnes and William Faulkner writers known for their affinities and connections to classical Hollywood Pardis Dabashi links the moviegoing practices of these writers to the tensions between the formal

properties of their novels and the characters in them Even when they did not feature outright happy endings classical Hollywood films often provided satisfying formal resolutions and promoted normative social and political values Watching these films modernist authors were reminded of what they were leaving behind both formally and in the name of aesthetic experimentalism by losing the plot
