Quintet For Winds

David Maslanka

Quintet For Winds:

Quintet for winds John Harbison, 1979 **Wind Chamber Music** Barbera Secrist-Schmedes, 1996-10-10 An invaluable reference work for music teachers professional and amateur musicians and music students This guide lists works in print for woodwind quintet and piano with two to five wind instruments flute oboe clarinet bassoon or horn Each entry provides composer birth and death dates composition date publisher nationality recording availability instrumentation length and general description of the compositional style **Quintet for winds no. 1** David Maslanka, 2004 Note from composer David Maslanka Quintet no 1 for Winds was composed in New York City in 1984 It was first performed by the Aspen Wind Quintet in a concert of my works at Symphony space Although Quintet no 1 for Winds has its fierce and demanding aspects it is overall a work of contemplation City nature and country nature come together here The first movement opens with a simple whole step motif in the horn This is an extended reflection of the call of the black capped chickadee The chickadee's plaintive two note call has followed me seemingly everywhere and has entered my composing in a profusion of variants It is in some way a soul signature The second movement comes directly from the New York City subway system The A train station at 200th Street is a holding area for subway cars not in use Each morning as I stood on the platform I would listen to a symphony of air compressors with pitches and resultant chords going through a slow kaleidoscope of changes I have captured some of this as closely as possible making it the point of departure for this portion of the quintet The third movement is a Brooklyn Bridge piece For me as for many others the Brooklyn Bridge has a strong mystical character For years I traveled to and from Brooklyn on the D train and watched the entire spectacle of the Brooklyn Bridge as the D train rose out of the ground and crossed the East River by way of the Manhattan Bridge Once by sheer coincidence I was reading Walt Whitman's Crossing Brooklyn Ferry just at the moment the D train began its climb out into the air In the poem Whitman speculates that 100 years from his time another person will cross to Brooklyn at this point and remember him The incident made a profound impression on me The opening statement of the third movement is derived entirely from variants of the musical letters in the name Brooklyn Bridge B D G E The last two chords of this movement two B minor chords are a final mystical signature for the bridge and for the piece Modern Music Peter Pindar Stearns, Dorian Wind Quintet, 1974

Quintet for winds no. 3 for flute, oboe, clarinet, horn and bassoon David Maslanka, 2005 **Quintet for Winds** Johan Kvandal, 1974 **Quintet for winds no. 2, for flute, oboe, clarinet, horn, and bassoon** David Maslanka, 2005

Quintet Robert Washburn, 1972-01 for flute oboe Bb clarinet F horn and bassoon A terrific concert piece for advanced wind players in three movements duration 16 minutes **Quintet for Winds** Douglas Leedy, 1962 Quintet for Winds Robert Muczynski, 1988

When people should go to the ebook stores, search start by shop, shelf by shelf, it is truly problematic. This is why we present the books compilations in this website. It will agreed ease you to see guide **Quintet For Winds** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
