Rabbis And Lawyers The Journey From Torah To Constitution

Daniel Gordis

Rabbis And Lawyers The Journey From Torah To Constitution:

Rabbis and Lawyers Jerold S. Auerbach,2010-08-17 A renowned historian examines the special contributions of rabbis and lawyers to American Jewish acculturation Based on extensive research in U S and Israeli archives his analysis of how lawyers displaced rabbis as community leaders in the 20th century illuminates a decisive moment in U S Jewish history and shows how law became deified to the point of slighting the Holocaust and Zionism

Wrestling with Diversity Sanford Levinson,2003-10-27 A major legal scholar and author writes on how to honor society's desire to further diversity legally and ethically

The Jewish Divide Over Israel Paul Bogdanor,2017-07-05 Before 1967 Israel had the overwhelming support of world opinion So long as Israel's existence was in harmony with politically correct assumptions it was supported or at least accepted by the majority of progressive Jews especially in the wake of the Holocaust This is no longer the case The Jewish Divide Over Israel explains the role played by prominent Jews in turning Israel into an isolated pariah nation After their catastrophic defeat in 1967 Arabs overcame inferiority on the battlefield with superiority in the war of ideas Their propaganda stopped trumpeting their desire to eradicate Israel Instead in a calculated appeal to liberals and radicals they redefined their war of aggression against the Jews as a struggle for the liberation of Palestinian Arabs The tenacity of Arabs rejection of Israel and their relentless campaign in schools universities churches professional organizations and above all the news media to destroy Israel's moral image had the desired impact Many Jewish liberals became desperate to escape from the shadow of Israel's alleged misdeeds and found a way to do so by joining other members of the left in blaming Israeli sins for Arab violence Today Jewish liberals rationalize violence against the innocent as resistance to the oppressor excuse Arab extremism as the frustration of a wronged party and redefine eliminationist rhetoric and physical assaults on Jews as criticism of Israeli policy Israel's Jewish accusers have played a crucial and disproportionate role in the current upsurge of antisemitism precisely because they speak as Jews The essays in this book seek to understand and throw back the assault on Israel led by such Jewish liberals and radicals as Tony Judt Noam Chomsky George Steiner Daniel Boyarin Marc Ellis Israel Shahak and many others Its writers demonstrate that the foundation of the state of Israel far from being the primal sin alleged by its accusers was one of the few redeeming events in a century of blood and shame

Celebrating Our Uniqueness Daniel Gordis,1992 Examines the concept of the Jews as a separate people This book looks at the role of Jews and Judaism in the modern world and the overall concept of being Jewish in a non Jewish world

Jewish Justices of the Supreme Court David G. Dalin,2017-04-04 The first history of the eight Jewish men and women who have served or who currently serve as justices of the Supreme Court

Zionism and the Melting Pot Matthew Mark Silver,2020-07-07 Traces the roots of ideologies and outlooks that shape Jewish life in Israel and the United States today Zionism and the Melting Pot pivots away from commonplace accounts of the origins of Jewish politics and focuses on the ongoing activities of actors instrumental in the theological political diplomatic and philanthropic networks that enabled the establishment of new Jewish

communities in Palestine and the United States M M Silver s innovative new study highlights the grassroots nature of these actors and their efforts preaching fundraising emigration campaigns and mutual aid organizations and argues that these activities were not fundamentally ideological in nature but instead grew organically from traditional Judaic customs values and community mores Silver examines events in three key locales Ottoman Palestine czarist Russia and the United States during a period from the early 1870s to a few years before World War I This era which was defined by the rise of new forms of anti-Semitism and by mass Jewish migration ended with institutional and artistic expressions of new perspectives on Zionism and American Jewish communal life Within this timeframe Silver demonstrates Jewish ideologies arose somewhat amorously without clear agendas they then evolved as attempts to influence the character pace and geographical coordinates of the modernization of East European Jews particularly in or from Russia s czarist empire Unique in his multidisciplinary approach Silver combines political and diplomatic history literary analysis biography and organizational history Chapters switch successively from the Zionist context both in the czarist and Ottoman empires to the United States melting pot milieu More than half of the figures discussed are sermonizers emissaries pioneers or writers unknown to most readers And for well known figures like Theodor Herzl or Emma Lazarus Silver s analysis typically relates to texts and episodes that are not covered in extant scholarship By uncovering the foundations of Zionism the Jewish nationalist ideology that became organized formally as a political movement and of melting pot theories of Jewish integration in the United States Zionism and the Melting Pot breaks ample new ground

The Death of Old Man Rice Martin L Friedland, 1996-08 The Story of One of the Most Remarkable Trials in All History Sensational trials the Menendez brothers the Rodney King case the Preppie Murder are not unique to the age of television The year 1900 saw one of the most dramatic criminal trials in American history described by one newspaper at the time as America s most remarkable murder case When William Marsh Rice the founder of Rice University was found dead in the New York City quarters he shared with his only servant suspicion immediately fell on Albert Patrick a young lawyer Rice whose fortune was pledged to Rice Institute later Rice University had it seemed been killed by chloroform poisoning and his will forged to give Patrick his vast estate Patrick was immediately arrested and in a spectacular trial tried for first degree murder a crime then punishable by execution In this combination murder mystery and murder history Martin Friedland recounts the events leading up to the trial and the case as it played itself out in court Skillfully guiding the reader through the trial and its outcome Friedland sheds new light on the events casting doubt on what at first glance seems an ironclad case Provocatively illustrated with over 60 photographs that capture the circumstances of the trial and the mood of New York City at the turn of the century The Death of Old Man Rice is not only a gripping tale of murder and intrigue but a timely window onto many aspects of criminal justice in America Touching on issues of great contemporary relevance such as the influence of the popular press the purchase of expert witnesses the problems of multiple appeals the inadequacy of penal institutions and the advantages of wealth Friedland combines

scholarship with suspense in his trademark who done it style A murder mystery a historical study and a fascinating window into the world of forensic science The Death of Old Man Rice is that rare book that can engage any reader Sociology and the Holocaust Ronald J Berger,2023-12-01 For some time the conventional wisdom in the interdisciplinary field of Holocaust studies is that sociologists have neglected this subject matter but this is not really the case In fact there has been substantial sociological work on the Holocaust although this scholarship has often been ignored or neglected including in the discipline of sociology itself Sociology and the Holocaust brings this scholarly tradition to light and in doing so offers a comprehensive synthesis of the vast historical and social science literature on the before during and after of the Holocaust a tour d horizon from an explicitly sociological perspective As such the aim of the book is not simply to describe the chronology of events that culminated in the deaths of 6 million Jews but to draw upon sociology s theoretical toolkit to understand these events and the ongoing legacy of the Holocaust sociologically *Studies in Contemporary Jewry* Eli Lederhendler,2001-12-20 Bringing together contributions from established scholars as well as promising younger academics the seventeenth volume of this established series offers a broad ranging view of why Judaism a religion whose observance is more honored in the breach in most western Jewish communities has garnered attention authority and controversy in the late twentieth century The volume considers the ways in which theological writings sweeping social change individual or small group needs and intra communal diversity have re energized Judaism even amidst secular trends in America and Israel **Jewish Americans and Political Participation** Rafael Medoff,2002-08-29 This handbook addresses how the Jewish American community emerged from obscurity to play a role in behind the scenes power politics and finally appeared center stage Jewish Americans and Political Participation explores the rise of the Jewish people from hardscrabble immigrants to the highest echelons of political power The book provides an overview of American Jewish life including the impact of immigration domestic antisemitism the Holocaust and U S Israel relations A chapter is devoted to protest politics covering such events as President Grant s Order 11 expulsion edict tenants and shirtwaist makers strikes the 1943 rabbis march on Washington and Jewish responses to the Rosenberg case The book also covers participation in social movements such as abolition Jewish defense organizations and the New Left A chapter is devoted to Jewish participation in electoral politics from Jewish interest in early socialism to Jewish advisers and the emergence of Jewish conservatism There are also biographies of Jewish American officials and political officeholders

Whispering the Secrets of Language: An Emotional Journey through **Rabbis And Lawyers The Journey From Torah To Constitution**

In a digitally-driven earth where monitors reign supreme and immediate transmission drowns out the subtleties of language, the profound strategies and mental nuances hidden within words frequently move unheard. Yet, set within the pages of **Rabbis And Lawyers The Journey From Torah To Constitution** a fascinating fictional treasure pulsating with raw thoughts, lies an extraordinary quest waiting to be undertaken. Published by an experienced wordsmith, that wonderful opus attracts viewers on an introspective journey, lightly unraveling the veiled truths and profound affect resonating within the very cloth of each word. Within the emotional depths of the touching evaluation, we can embark upon a honest exploration of the book is core styles, dissect its interesting writing design, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.
