Resurrection Of Ireland:

"The" Resurrection of Ireland Michael Laffan,1999

The Resurrection of Ireland Michael Laffan,1999-12-02

Between 1916 and 1923 Ireland experienced a political as well as a military revolution This book examines how after the Easter Rising of 1916 radical revolutionaries formed a precarious coalition with relatively moderate politicians and offers a sustained analysis of the political organisation of Irish republicanism during a crucial period The new Sinn F in party routed its enemies co operated uneasily with the underground Irish government which it had helped to create and achieved most of its objectives before disintegrating in 1922 Its rapid collapse should not distract from its achievements in particular its role in democratising the Irish revolution Its successors have dominated the political life of independent Ireland The book studies in detail the party s membership and ideology and also its often tense relationship with the Irish Republican Army A final chapter examines the fluctuating careers of the later Sinn F in parties throughout the rest of the twentieth century

The Resurrection of Ireland Michael Laffan,1999

The Transformation Of Ireland 1900-2000 Diarmaid

Ferriter,2010-07-09 A ground breaking history of the twentieth century in Ireland written on the most ambitious scale by a brilliant young historian It is significant that it begins in 1900 and ends in 2000 most accounts have begun in 1912 or 1922 and largely ignored the end of the century Politics and political parties are examined in detail but high politics does not dominate the book which rather sets out to answer the question What was it like to grow up and live in 20th century Ireland It deals with the North in a comprehensive way focusing on the social and cultural aspects not just the obvious political and religious divisions Imagining Ireland's Independence Jason K. Knirck,2006-08-11 The key turning point in modern Ireland s history the Anglo Irish Treaty of 1921 has shadowed Ireland s political life for decades In this first book length assessment of the treaty in over seventy years Jason Knirck recounts the compelling story of the nationalist politics that produced the Irish Revolution the tortuous treaty negotiations and the deep divisions within Sinn FZin that led to the slow unraveling of fragile party cohesion Focusing on broad ideological and political disputes as well as on the powerful personalities involved the author considers the major issues that divided the pro and anti treaty forces why these issues mattered and the later judgments of historians He concludes that the treaty debates were in part the result of the immaturity of Irish nationalist politics as well as the overriding emphasis given to revolutionary unity A fascinating story in their own right the treaty debates also open a wider window onto questions of European nationalism colonialism state building and competing visions of Irish national independence Treaty Documents

Arming the Irish Revolution W. H. Kautt,2021-09-06

Arming the Irish Revolution is an in depth investigation of the successes and failures of the militant Irish republican efforts to arm themselves W H Kautt s comprehensive account of Irish Republican Army IRA arms acquisition begins with its predecessors the Irish Volunteers and the National Volunteers and counterintuitively with their rivals the pro union Ulster Volunteer Force After the 1916 Rising Kautt details the functioning of the Quartermaster General Department of the Irish Volunteer General

Headquarters in Dublin and basic arms acquisition in the early days of 1918 to 1919 He then closely examines rebel efforts at weapons and ammunition manufacturing and bombmaking and reveals that the ingenuity and resources poured into manufacturing were never able to become a primary source of weapons and ammunition As the conflict grew in intensity and expanded the rebels encountered increasing difficulty in obtaining and maintaining supplies of weapons and ammunition since modern weapons in a protracted conflict used more ammunition than previous generations of weapons and their complexity meant that the weapons could not be clandestinely produced within Ireland Thus as the rebels conducted campaigns that became difficult to combat their greatest limiting factor was that most of their weapons and ammunition had to be imported Arming the Irish Revolution is the first work of research and analysis to explore in detail the Irish work inside Britain to establish arms centers and to conduct arms operations and trafficking It also examines the full extent of the overseas or foreign arms trade and the arms operations of the War of Independence including the continuance into the truce and treaty eras and up to the outbreak of the Civil War 1922 1923 all of which reveals how the rebel leaders ran complex maturing and capable smuggling and manufacturing enterprises worldwide under the noses of the police customs intelligence and the military for years without getting caught Quite apart from the battlefield these groups and their activities led to political consequences playing no small part in producing what were real concessions from Lloyd George's government In the last chapter Kautt offers observations and conclusions about overall successes and failures that establishes Arming the Irish Revolution as a landmark study of insurgent or revolutionary arms acquisition in both Irish and military history

Imagining Ireland Abroad, 1904-1945 Lili Zách, 2021-07-29 Offering a unique account of identity formation in Ireland and Central Europe this book explores and contextualises transfers and comparisons between Ireland and the successor states of the Austro Hungarian Empire It reveals how Irish perceptions of borders and identities changed after the re birth of the small states of Austria Hungary and Czechoslovakia and the creation of the Irish Free State Adopting a transnational approach the book documents the outward looking attitude of Irish nationalists and provides original insights into the significance of personal encounters that transcended the borders of nation states Drawing on a wide range of official records private papers contemporary press accounts and journal articles Imagining Ireland Abroad 1904 1945 bridges the gap between historiographies of the East and West by opening up a new perspective on Irish national identity

Myth and the Irish State John M. Regan, 2013-12-03 When we read a history we believe ourselves to be reading cold hard facts of the events that took place and how they occurred But there is no real truthful way to know the approach our historian has taken with the historical sources This book deals with the uncertainty in writing history in the context of Irish history in particular Regan argues in this book that the notion of elision simply ignoring unhelpful evidence threatens Irish history today Regan believes that some historians have ignored unhelpful facts that perhaps do not further their point or perhaps contradict them altogether Each chapter focuses on a period of Irish history that Regan believes to be inconsistent or incomplete in its facts

He asks the controversial questions about the period of history such as why do some historians deny or marginalise the British threat of war and re conquest in 1922 why do so many Irish historians describe Michael Collins as a constitutionalist or a democrat when the evidence argues otherwise Was the Irish Civil War really fought between democrats defending the state against dictators attempting its overthrow Did the new state briefly experience a military dictatorship under Collins in 1922 Thinking historically is not about learning history or accepting the past as it is presented to us it is as Regan argues in his thought provoking work about developing the critical skills to interpret history for ourselves

Irish Nationalism in Canada David A. Wilson, 2009-11-01 According to conventional historical wisdom Irish nationalism in Canada was a marginal phenomenon overshadowed by the more powerful movement in the United States and eclipsed in Canada by the Orange Order The nine contributors in this book argue otherwise and in doing so make a major and original contribution to our understanding of the Irish experience in Canada and the place of Irish Canadian nationalism within an international context Focusing on the period 1820 to 1920 they examine political religious and cultural expressions of Irish Canadian nationalism as it responded to Irish events and Canadian politics They also look at tensions within the movement between those who argued that Ireland should share the same freedom that Canada enjoyed within the British Empire and revolutionary republicans who wanted to liberate both Ireland and Canada from the yoke of British imperialism Irish Nationalism in Canada sheds light on questions such as transference of old world political traditions into North America the dynamics of ethno religious conflict and state responses to a revolutionary minority within an ethno religious group Contributors include Donald Harman Akenson Queen s University Kingston Sean Farrell Northern Illinois University Mark G McGowan St Michael s College University of Toronto Frederick J McEvoy Independent Scholar Michael Peterman Trent University Garth Stevenson Brock University Peter M Toner University of New Brunswick Rosalyn Trigger University of Aberdeen and David A Wilson University of Toronto

[Ireland Past and Present](#) Augustus J. Thébaud, 1878

[Taxation, Politics, and Protest in Ireland, 1662-2016](#) Douglas Kanter, Patrick Walsh, 2019-01-10 This book examines the politics of taxation in Ireland between the seventeenth and twenty first centuries Combining political economic and policy history it contributes to a growing interdisciplinary literature on public finance while also providing context for the ongoing debate on taxation and austerity in post Celtic Tiger Ireland Taxation Politics and Protest in Ireland illuminates a neglected aspect of Irish history and will be of interest to scholars policymakers and members of the public who wish to understand a subject that is central to the modern Irish experience

[The Treaty](#) Liam Weeks, Mícheál Ó Fathartaigh, 2018-09-17 What exactly did the split over the Anglo Irish Treaty of 1921 actually mean We know it both established the independent Irish state and that Ireland would not be a fully sovereign republic and provided for the partition of Northern Ireland The Treaty was ratified 64 votes to 57 by the Sinn Fein members of the Revolutionary Dail Eireann splitting Sinn Fein irrevocably and leading to the Irish Civil War a rupture that still defines the Irish political landscape a century on Drawing together the work of a diverse range of scholars who each

re examine this critical period in Irish political history from a variety of perspectives The Anglo Irish Treaty Debates addresses this vexed historical and political question for a new generation of readers in the ongoing Decade of Commemorations to determine what caused the split and its consequences that are still felt today *Ritual, Belief and the Dead in Early Modern Britain and Ireland* Sarah Tarlow, 2010-11-22 Drawing on archaeological historical theological scientific and folkloric sources Sarah Tarlow's interdisciplinary study examines belief as it relates to the dead body in early modern Britain and Ireland From the theological discussion of bodily resurrection to the folkloric use of body parts as remedies and from the judicial punishment of the corpse to the ceremonial interment of the social elite this book discusses how seemingly incompatible beliefs about the dead body existed in parallel through this tumultuous period This study which is the first to incorporate archaeological evidence of early modern death and burial from across Britain and Ireland addresses new questions about the materiality of death what the dead body means and how its physical substance could be attributed with sentience and even agency It provides a sophisticated original interpretive framework for the growing quantities of archaeological and historical evidence about mortuary beliefs and practices in early modernity **Coming Prophetic**

Events. Three Lectures on Prophecy, Delivered at Fermoy, Ireland, Showing the Immediate Fall of the Pope John GARNIER, 1873 **The Christian examiner and Church of Ireland magazine**, 1826 *An Answer to a Challenge Made by a Jesuite in Ireland* James Ussher, 1686 *The Christian Life*, 1882 **Ireland Among the Nations** James O'Leary, 1874

The Formation, Existence, and Deconstruction of the Catholic Stage Guild of Ireland Alex Cahill, 2018-06-11 In 1945 the Irish Catholic Church began a unique relationship with the entertainment industry through an organization known as the Catholic Stage Guild of Ireland This Guild whose members included Jimmy O'Dea Noel Purcell Cyril Cusack and Gabriel Fallon acted as a microcosm of twentieth century Ireland dramatically depicting the heartaches and successes of the Irish Catholics This unprecedented study of the Catholic Stage Guild begins an investigation on the contemporary relationship between the Irish Catholic Church and theatre that until now has rarely been examined Written for those interested in theatre studies Catholic studies and Irish studies the Catholic Stage Guild of Ireland's persuasion over the theatre population both within and outside the country's borders proposes a story long overdue to be told until now **Seán MacEntee** Tom Feeney, 2009 This is the first biographical work of one of the chief policymakers to have served the independent Irish state It is the only scholarly biography apart from Sean Lemass of a senior Fianna Fail minister prominent in every de Valera administration Sean MacEntee was in many ways a unique political personality He was the most senior politician in the independent Irish state to have been born in what became Northern Ireland Moreover he was a fiercely independent thinker whose written contribution to the public life of the state was considerable reflecting his insatiable interest in all aspects of government policy not merely those for which he bore ultimate responsibility An assessment of MacEntee's life offers a unique opportunity to convey the full force of ministerial thought over a period of four decades in

government and provides a comprehensive record of the main aspects of public policymaking since the foundation of the state Book Jacket

Immerse yourself in the artistry of words with Experience Art with is expressive creation, **Resurrection Of Ireland** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
