Secrets Of The Sphinx Mysteries Of The Ages Revealed:

The Zodiac Conspiracy Atara, Dr Atara, 2011-11 The appearance of an astronomer who was discussing the 13th constellation on national TV last year caused a huge outcry from the public The big question was How can my sun sign be different Many people concluded that the astronomer did not know what he was talking about People wanted to know how their Sun sign could be different than what they had been told all these years Actually the astronomer was very correct he was telling everyone the truth as indicated by the science of astronomy which the psychological art of astrology is based upon There are 13 constellations and has always been 13 This is why the book also features a section on Ophiuchus which is the 13th constellation and the only constellation sign named after a human being Imhotep an African Egyptian There has been a conspiracy of silence among Western astrologers to misrepresent the history of astrology and ignore the truth of astronomy Since astrologers did not adhere to the science of astronomy as dictated by the constellations they created an alternative paradigm called the Koch zodiac system which only acknowledges 12 constellations and therefore 12 signs Astrologers who live in the Eastern part of the world practice the truth of astronomy by using the Sidereal zodiac system Most people in the Western world actually believe that on January 1st their Sun sign is Capricorn However the truth is that the Sun is actually in the constellation of Sagittarius This is the truth of astronomy and the sidereal zodiac system So if you were born on January 1st of any year your Real Sun Sign is Sagittarius not Capricorn This book shows everyone who wants to continue believing in their old sign while embracing the truth of their Real Sun Sign how to blend these two systems so that who you REALLY ARE and what you are destined to learn about yourself is anchored in the truth It is a gentle reminder that you are not living your most authentic self Are you the Virgo Selfless Servant or Aquarius The Giver Read the Zodiac Conspiracy and be introduced to the truth and Your Real Sun Sign

The Sphinx Mystery Robert Temple, 2009-01-20 A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead Anubis Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 Reveals that the Sphinx was originally carved as a monumental crouching Anubis the Egyptian jackal god of the necropolis Shrouded in mystery for centuries the Sphinx of Giza has frustrated many who have attempted to discover its original purpose Accounts exist of the Sphinx as an oracle as a king's burial chamber and as a temple for initiation into the Hermetic Mysteries Egyptologists have argued for decades about whether there are secret chambers underneath the Sphinx why the head to body ratio is out of proportion and whose face adorns it In The Sphinx Mystery Robert Temple addresses the many mysteries of the Sphinx He presents eyewitness accounts published over a period of 281 years of people who saw the secret chambers and even went inside them before they were sealed in 1926 accounts that had been forgotten until the author rediscovered them He also describes his own exploration of a tunnel at the rear of the Sphinx perhaps used for obtaining sacred divinatory dreams Robert Temple reveals that the Sphinx was originally a monumental Anubis the Egyptian

jackal god and that its face is that of a Middle Kingdom Pharaoh Amenemhet II which was a later re carving In addition he provides photographic evidence of ancient sluice gate traces to demonstrate that during the Old Kingdom the Sphinx as Anubis sat surrounded by a moat filled with water called Jackal Lake in the ancient Pyramid Texts where religious ceremonies were held He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult 13

13 Sun Signs of Zodiac The Secret Teachings of All Ages Manly Palmer Hall, 2020-09-28

NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth's greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particularism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of
