Maximillien De Lafayette, 2015-08-05 The Secret and Technique of the Healing Touch Published by Times Square Press New York Baaniradu is the Anunnaki Ulema term for the healing touch technique It was first used by the priests of Melkart in ancient Phoenicia Ugarit and Arwad It is extremely important to bear in mind that this technique does not in any shape or form replace any scientific and medical treatment s Baaniradu has not been fully explored and used in the West It was at Ugarit that the early remnants of the Anunnaki developed the Mahrit Mah rit which was originally found in Arwad The Mahrit was a primordial element of the Phoenician esoteric healing process Many Ugaritic tablets served as the primordial inspiration for the scribes who wrote the Bible Several deities from Ugarit were retransformed and renamed as Jewish deities and later on Jehovah s attributes were modeled after the characteristics and attributes of El and Baal

identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler's book *Mein Kampf* as a self description by Hitler 7 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 8 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 9 The term Nazi isn't in *Mein Kampf* nor in *Triumph of the Will* 10 The term Fascist never appears in *Mein Kampf* as a self description by Hitler 11 Soviet socialists and German socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 12 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in the USA 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 16 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as *fascio fasci* and *fascisti* 17 Fascism came from a socialist e.g. Mussolini Communism came from a socialist e.g. Marx Fascism and Communism came from socialists Hitler's political philosophy continues to be admired by modern politicians Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists Every election witnesses Americans struggling to bring Germany's past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions The Deutschland's two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China's lethal attraction to Marx and Hitler was huge compared to the USA's That is why the books of Marx and Hitler were once considered too dangerous for the general public But *Mein Kampf* was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon's better selling book titles Hitler and Marx are always trending on the internet Germany's two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the

Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide **World's**
