Polishing Gems Joel Emerson,2023-02-09 The Bible is like a jewelry box holding treasures of immeasurable value For instance John 3 16 can be compared to the hope diamond It surpasses all others Genealogy listings of who begat whom could be compared to mere gravel Though maybe not life changing it serves its purpose We cannot improve on God's Word it is what it is but God has called us to be laborers together with Him 1 Corinthians 3 9 Just like a priceless diamond simply looks like a rock until it is shaped and put in the proper light His Word is almost always hidden until the Holy Spirit reveals its worth and sometimes another person can share its impact on their lives or even a looked over by most observation that puts it in a different light Example the shortest verse is John 11 35 aEURoeJesus wept aEUR My take is that He had to bring Lazarus back IaEUR tm ve seen many people surprised by this A sermon is for the purpose of putting a shine on scripture bringing out the beauty revealing the intent of the message making it understandable This collection of poetry is basically quick read minisermos given to the author by the Holy Spirit Tertius was a scribe who wrote the Book of Romans while Paul dictated The author's education in poetry has only come from bathroom walls and Dr Seuss He credits God with its entire content The style is down to earth but its message is out of this world It is his hope that believers will gain a closer relationship with God and unbelievers will begin a journey that leaves behind all the hopelessness misery darkness and suffering of the soul that accompanies life apart from God that he has experienced firsthand and begin a joyous walk with Jesus toward the Promised Land He hopes it entertains you and prays that it changes you for the better

Andrews,2023-07-16 BIBLICAL EXEGESIS Biblical Criticism on Trial seeks to firmly establish and defend a conservative approach to biblical exegesis while meticulously exposing and critiquing the fallacies and biases prevalent in modern biblical criticism The central thesis posits that liberal moderate biblical criticism incorporating literary criticism rhetorical criticism narrative criticism form criticism tradition criticism redaction criticism structuralism poststructuralism canonical criticism and historical criticism are fundamentally flawed and speculative It highlights that these methods often presented as objective and scientific are indeed reflective of broader ideological systems such as secular humanism the Enlightenment and German idealism which have significantly swayed Western academia and thought over the past four centuries The book argues that these critical methodologies constitute an ongoing assault on the Bible reinforcing scholar biases and distancing biblical interpretation from truth The ultimate goal is to equip readers with a clear understanding of conservative exegetical principles and methods demonstrating how these approaches are grounded in an unswerving commitment to the authority and inerrancy of Scripture thereby offering an antidote to the subjective and ideologically skewed practices of modern biblical criticism It is also a warning Biblical criticism has opened the gates to a flood of pseudo scholarly works whose influence has been to undermine people s confidence in the Bible *The Parables* Simon J.
