# Select Bibliography Of British History

**Charles Loch Mowat**

## Select Bibliography Of British History:

**A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index A Select Bibliography of British History, 1660-1760 Clyde LeClare Grose, 1990 A Select Bibliography of British History, 1660-1760 Clyde LeClare Grose, 1967 *Bibliography of British History, Stuart Period, 1603-1714* Godfrey Davies, 1928 *A Select Bibliography of British History, 1660-1760.* \$c Clyde LeClare Grose, 1967 **British History 1815-1914** Norman McCord, Bill Purdue, A. William Purdue, 2007 This fully revised and updated new edition extended to cover the period up to 1914 provides the ultimate introduction to British history between the end of the Napoleonic Wars and the outbreak of the First World War **Selected References on the History of English Agriculture** Everett Eugene Edwards, 1935 A Reference Guide for English Studies Michael J. Marcuse, 2023-11-15 **Modern England 1901-1970** Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth **Sources for English Local History** W. B. Stephens, 1973 British Sport: Biographical studies of British sportsmen, sportswomen, and animals Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Modern England, 1901-1984** Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England *British History Since 1926* Charles Loch Mowat, 1960 *Victorian England 1837-1901* Josef Lewis Altholz, J. L. Altholz, 2002-08-22 This book contains 2 500 bibliographical entries covering most aspects of the history of Victorian England *English Society in the Later Middle Ages* S.H. Rigby, 1995-05-10 What was the social structure of England in the period 1200 to 1500 What were the basic forms of social inequality To what extent did such divisions generate social conflict How significantly did English society change during this period and what were the causes of social change Is it useful to see medieval social structure in terms of the theories and concepts produced within the medieval period itself What does modern social theory have to offer the historian seeking to understand English society in the later middle ages These are the questions which this book seeks to answer Beginning with an analysis of class structure of medieval England Part One of this book asks to what extent class conflict was inherent within class relations and discusses the contrasting successes and outcomes of such conflict in town and country Part Two of the book examines to what extent such class divisions interacted with other forms of social inequality such as

those between orders nobility and clergy between men and women and those arising from membership of a status group the Jews Dr Rigby's discussion of medieval English society is located within the context of recent historical and sociological debates about the nature of social stratification and using the work of social theorists such as Parkin and Runciman offers a synthesis of the Marxist and Weberian approaches to social structure The book should be extremely useful to those undergraduates beginning their studies of medieval England whilst in offering a new interpretative framework within which to examine social structure also interesting those historians who are more familiar with this period

**The Making of Modern Ireland 1603-1923** J.C. Beckett, 2011-11-03 Technically this book is a masterly achievement the collection sorting selecting and balancing of material has meant an immense amount of hard and highly skilful work The presentation is not only learned but cool objective unimpassioned and yet almost always alive and compassionate as well As a reference book alone it is immensely valuable As an example of a humane scholarly expert history Professor Beckett's book will be difficult to surpass D B Quinn Belfast Telegraph He has brilliantly succeeded The book is admirably constructed and written with clarity and economy which carry the narrative unflaggingly through to the end This excellent book supersedes all previous histories of modern Ireland F S L Lyons New Statesman

**A History of British Elections since 1689** Chris Cook, John Stevenson, 2014-06-27 A History of British Elections since 1689 represents a unique single volume authoritative reference guide to British elections and electoral systems from the Glorious Revolution to the present day The main focus is on general elections and associated by elections but Chris Cook and John Stevenson also cover national referenda European parliament elections municipal elections and elections to the Welsh and Northern Irish assemblies and the Scottish parliament The outcome and political significance of all these elections are looked at in detail but the authors also discuss broader themes and debates in British electoral history for example the evolution of the electoral system parliamentary reform women's suffrage constituency size and numbers elimination of corrupt practices and other important topics The book also follows the fortunes not only of the major political parties but of fringe movements of the extreme right and left Combining data summary and analysis with thematic overviews and chronological outlines this major new reference provides a definitive guide to the long and varied history of British elections and is essential reading for students of British political history

**The Craft of International History** Marc Trachtenberg, 2009-02-09 This is a practical guide to the historical study of international politics The focus is on the nuts and bolts of historical research that is on how to use original sources analyze and interpret historical works and actually write a work of history Two appendixes provide sources sure to be indispensable for anyone doing research in this area The book does not simply lay down precepts It presents examples drawn from the author's more than forty years experience as a working historian One important chapter dealing with America's road to war in 1941 shows in unprecedented detail how an interpretation of a major historical issue can be developed The aim throughout is to throw open the doors of the workshop so that young scholars both historians and political scientists can see the sort of

thought processes the historian goes through before he or she puts anything on paper Filled with valuable examples this is a book anyone serious about conducting historical research will want to have on the bookshelf      **Church History** James E. Bradley ,Richard A. Muller,2016 In their acclaimed much used Church History James Bradley and Richard Muller lay out guidelines methods and basic reference tools for research and writing in the fields of church history and historical theology Over the years this book has helped countless students define their topics locate relevant source materials and write quality papers This revised expanded and updated second edition includes discussion of Internet based research digitized texts and the electronic forms of research tools The greatly enlarged bibliography of study aids now includes many significant new resources that have become available since the first edition s publication in 1995 Accessible and clear this introduction will continue to benefit both students and experienced scholars in the field      **Aspects of British Political History 1815-1914** Stephen J. Lee,2013-03-07 Aspects of British History 1815 1914 addresses the major issues of this much studied period in a clear and digestible form Introduces a fresh feel to long studied topics Consolidates a grest deal of recent research Carefully organised to reflect the way teachers tackle this course Written by and experienced and renowned textbook author Illustrated with helpful maps and photographs
