Knowledge in Food Activism and Governance Andrea Pieroni, Michele Filippo Fontefrancesco, Ina Vandebroek, 2024-08-16

The current debate on Traditional Knowledge TK and food heritage has had momentum in recent years mainly thanks to the remarkable interest of some local and national institutions small scale producers and emerging chefs However in the scientific arena the process of documenting traditional knowledge and the heritage of local foods is often addressed by itself and is not well connected to deeper reflections of the actual participatory processes involved in local development or to the manners through which TK informs public discourse regarding local foods and how this may further influence activists institutions and governance
