in court and sometimes as in the case of Tesuque Pueblo in 1922 took matters into their own hands Ebright and Hendricks describe how at times aided by appointed Spanish officials private lawyers priests and Indian agents each pueblo resisted various non Indian institutional and legal pressures and how each suffered defeat in the Court of Private Land Claims and the Pueblo Lands Board only to assert its sovereignty again and again Although some of these defenses led to stunning victories all five pueblos experienced serious population declines Some were even temporarily abandoned That all have subsequently seen a return to their traditions and ceremonies and ultimately have survived and thrived is a testimony to their resilience Their stories documented here in extraordinary detail are critical to a complete understanding of the history of the Pueblos and of the American Southwest     Annual Report of the trustees of the Astor Library of the city of New York Astor Library,1883     **Annual Report of the Trustees of the Astor Library of the City of New-York** Astor Library.
