 Theodore Ihejieta, 2018-06-21 Living in the World By Theodore Ihejieta Living in the World is a book of love and life called
 circle of positive energy and energy of sunlight The book is a book of Planet Earth because the living planet gave sunlight
 energy to the author of living in the world The author is a human being who did not like the way human beings were
 suffering in the world and thought that he needed to do something in order to improve the standard of living in the world
 Author Theodore Ihejieta was born into a Christian family who believed in God and trusted God to protect them from evil and
 death Death killed the author s father which made him stop trusting God Death killed the immediate junior brother of the
 author and made him declare war against God The author read many religious books and discovered that human beings did
 not know God because human beings did not have the intention to know God Ihejieta wants to know God and succeeds in
 knowing God because God showed Himself to him when he started questioning the integrity of God Living in the World is a
