Greece: A Jewish History K. E. Fleming, 2024-11-01 This innovative soundly researched work has filled a long standing need for the story of Greek Jewry to be told fully Jewish Book World K E Fleming's *Greece a Jewish History* is the first comprehensive English language history of Greek Jews and the only history that includes material on their diaspora in Israel and the United States The book tells the story of a people who for the most part no longer exist and whose identity is a paradox in that it wasn't fully formed until after most Greek Jews had emigrated or been deported and killed by the Nazis For centuries Jews lived in areas that are now part of Greece But Greek Jews as a nationalized group existed in substantial number only for a few short decades from the Balkan Wars 1912-13 until the Holocaust in which more than eighty percent were killed *Greece a Jewish History* describes their diverse histories and the processes that worked to make them emerge as a Greek collective It also follows Jews as they left Greece as deportees to Auschwitz or migrated to Palestine Israel and New York's Lower East Side In such foreign settings their Greekness was emphasized as it never was in Greece where Orthodox Christianity traditionally defines national identity and anti-Semitism remains common An excellent effort to explain the quandary of the Jews of Greece during the country's turbulent 200 year history Jay Levinson *Jewish Tribune* Until the appearance of Fleming's work there was no overarching account of the Jewish experience in modern Greece and this book fills that lacuna extremely well Alexander Kitroeff *American Historical Review*

Jews of Yugoslavia, 1918-1941 Kristina Birri-Tomovska, 2012 The investigation on the history of the Yugoslav and Macedonian Jews between the two world wars was developed through a number of researches in the archives in Macedonia Serbia Greece and Israel The project itself was based on three levels and approaches from an international position of the Jews after WWI the regional within the history of the Yugoslav Jewry and the position of the Sephardic Jewry on a local level i

e in Macedonia itself The international context required a use of international acts brought in regard to minority rights protection after the WWI during the Paris Conference and the establishment of the Geneva System The second level observed the position of the Macedonian Sephards within the overall Yugoslav Jewry which was consisted of Ashkenazim Sephardim as well as of the Orthodox Jews as a separate group The third level deals with the everyday life of the Macedonian Sephards from 1912 to 1941 as well as their social cultural political and economic development in one micro environment The inter ethnic relations which were part of the political social and Jewish reality in Macedonia were also investigated in this study
