Thomas, 2006-07 Monthly Catalog of United States Government Publications ,1997 Marine Rifleman Wesley L. Fox, 2002 Intrigued by the mystique and challenge of the Marine Corps eighteen year old Wesley Fox enlisted in the summer of 1950 shortly after the outbreak of the Korean War He saw action with the First Marine Division in Korea and was wounded in 1951 After Korea Fox advanced steadily in the enlisted ranks reaching the rank of first sergeant and early in the Vietnam War he received an appointment as second lieutenant While serving as a rifle company commander with the Third Marine Division in 1969 he was twice wounded in a vicious battle during Operation Dewey Canyon Early in this battle every member of the company s command staff was either wounded or killed In an all or nothing effort led by First Lieutenant Fox his company repulsed the attack of a much larger enemy force and then counterattacked with devastating results For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty Fox received the Medal of Honor which President Richard Nixon presented to him at the White House Despite the personal sacrifice and frequent danger Fox resolutely embraced the ethos of the Marine Corps risking his life on numerous occasions and emerging as a leader in one of the most respected and feared fighting organizations in the world Readers interested in U S military history from the second half of the twentieth century in the Marine Corps and in inspiring tales of personal achievement will find plenty of each in Fox s extraordinary memoir **Military Review** ,2004 **Naval History** ,1997 United States Army Combat Forces Journal ,1951 *Proceedings of the United States Naval Institute* United States Naval Institute, 2016-07 **Professional Journal of the United States Army** ,2004 **Army** ,1955 *Counterinsurgency Lessons from Malaya and Vietnam* John Nagl, 2002-10-30 Armies are invariably accused of preparing to fight the last war Nagl examines how armies learn during the course of conflicts for which they are initially unprepared in organization training and mindset He compares the development of counterinsurgency doctrine and practice in the Malayan Emergency from 1948 1960 with that developed in the Vietnam Conflict from 1950 1975 through use of archival sources and interviews with participants in both conflicts In examining these two events he argues that organizational culture is the key variable in determining the success or failure of attempts to adapt

to changing circumstances Differences in organizational culture is the primary reason why the British Army learned to conduct counterinsurgency in Malaya while the American Army failed to learn in Vietnam The American Army resisted any true attempt to learn how to fight an insurgency during the course of the Vietnam Conflict preferring to treat the war as a conventional conflict in the tradition of the Korean War or World War II The British Army because of its traditional role as a colonial police force and the organizational characteristics that its history and the national culture created was better able to quickly learn and apply the lessons of counterinsurgency during the course of the Malayan Emergency This is the first study to apply organizational learning theory to cases in which armies were engaged in actual combat **Air University Library Index to Military Periodicals** ,1990 *Marine Corps Gazette* ,1943 **Brute** Robert Coram,2010-11-10 The author of *American Patriot* details the life of an innovative U S Marine Corps veteran of World War II the Korean War and the Vietnam War From the earliest days of his thirty four year military career Victor Brute Krulak displayed a remarkable facility for applying creative ways of fighting to the Marine Corps He went on daring spy missions was badly wounded pioneered the use of amphibious vehicles and masterminded the invasion of Okinawa In Korea he was a combat hero and invented the use of helicopters in warfare In Vietnam he developed a holistic strategy in stark contrast to the Army's Search and Destroy methods but when he stood up to LBJ to protest he was punished And yet it can be argued that all of these accomplishments pale in comparison to what he did after World War II and again after Korea Krulak almost single handedly stopped the U S government from abolishing the Marine Corps Praise for Brute Coram captures General Krulak's striding march across the Marine Corps and across the American century and is a meticulous investigator of the things that drove Brute Krulak not all of them pretty Brute is plainspoken and absorbing and captures its subject in strokes that are sharp simple and often funny Dwight Garner *The New York Times* A well written tale about a complicated yet admirable man James Srodes *The Washington Times* A revealing and troubling portrait of a much revered figure Kirkus Reviews **The Marine Corps Gazette** ,1965
