the nectar of divine ecstasy as a delightful alternative that leads to human enlightenment and eradicates human woe permanently He has pictured the ordinary joys of life for the worldly men are able to compare the mundane pleasures with the superior joys of spiritual life The literal meaning of the translated verses is completely absurd but the vast inner meanings are like a golden treasure house But the spiritual power inherent in this poem is a characteristic of the Persian poems which have an outer as well as inner meaning While the west has interpreted Omar s poems as highly erotic the East has accepted him as a religious poet Plumbing into the depths of the poem gives interpretations that make it appear like a shrine which is untouched Omar has distinctly suggested that wine symbolizes intoxication of spiritual joy and love Some translators have interpreted the verses saying that the whole poem is an evocation of agnosticism and has a philosophy which seeks happiness through friendships and the avoidance of pain It suggests brevity of life and the absence of an after life
