Marsh, 1999 This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever

published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Cycles Marjorie M. Halpin, 1979 Essay on Haida Indian artist and his prints **Potlatch as Pedagogy** Sara Florence Davidson, Robert

Davidson,2018-10-19 In 1884 the Canadian government enacted a ban on the potlatch the foundational ceremony of the Haida people The tradition which determined social structure transmitted cultural knowledge and redistributed wealth was seen as a cultural impediment to the government s aim of assimilation The tradition did not die however the knowledge of the ceremony was kept alive by the Elders through other events until the ban was lifted In 1969 a potlatch was held The occasion the raising of a totem pole carved by Robert Davidson the first the community had seen in close to 80 years From then on the community publicly reclaimed from the Elders who remained to share it the knowledge that has almost been lost Sara Florence Davidson Robert s daughter would become an educator Over the course of her own education she came to see how the traditions of the Haida practiced by her father holistic built on relationships practical and continuous could be integrated into contemporary educational practices From this realization came the roots for this book *A Precarious Enterprise* Scott McIntyre,2025-09-09 A Precarious Enterprise has all of the DNA necessary for future historians to fully understand the joyous and unexpected rodeo that was CanLit 1 0 It was a cherished window in time and Scott tells of it with love and the ultimate insider s POV Douglas Coupland author and artist Ever wondered how a publishing house works Scott McIntyre tells all in this behind the scenes look at Canadian publishing Scott McIntyre has lived the story of Canadian book publishing Beginning his career at McClelland Stewart in 1967 he went on to cofound his own publishing house Douglas McIntyre in 1970 and made his mark on the industry amid the country s exhilarating literary coming of age Becoming one of Canada s largest and most respected publishing houses and among the first to embrace Indigenous issues Douglas McIntyre and its associated children s publisher Groundwood Books published some 900 authors and 2 000 books in less than 50 years For McIntyre the authors always came first and he worked closely with many important figures including Doris Shadbolt Wayson Choy Richard Wagamese Anna Porter Will Ferguson Douglas Coupland Hugh Brody Robert Bringhurst Wade Davis and Farley Mowat Telling stories featuring a colorful array of characters who rebuilt the publishing world following WWII and anecdotes about how book publishing works McIntyre touches upon the guiding philosophy and historic traditions still animating the industry today More than the story of one publisher and his company this is a first person account of the buoyant period when writers their books and the companies who published them changed the nation Solitary Raven Bill,2012-03-23 A seminal collection of writing from one of Canada s most revered artists spanning forty years of his life When Haida sculptor and Canadian icon Bill Reid died in the spring of 1998 he was more widely and more fervently admired than any other Native artist in North America Although Reid attained his greatest fame in the visual arts words were his first professional medium Until he received his first large carving commission in 1958 he made his living as a radio announcer and script writer This work earned him the Haida name Kihlguulins the One with the Beautiful Voice In his later years Parkinson s disease curtailed his public speaking but it did not prevent him writing His oratorical and literary gifts are rightly part of the Reid legend Recordings of his voice can still be played in a number of major museums around the world Despite his gift

for words much of what he wrote was published only in newspapers magazines and exhibition catalogues Some was made public in audio form but never printed and some has languished in manuscript for years This book collects for the first time the most important of these widely scattered writings seminal statements on the art on the Northwest Coast the role of the Native artist in a multicultural world and the quintessential role of the environment to the survival of human culture

Returning to the Yakoun River Sara Florence Davidson, Robert Davidson, 2022-10-06 Based on author Sara Florence Davidson's childhood memories this illustrated story captures the joy and adventure of a Haida fish camp Every summer a Haida girl and her family travel up the Yakoun River on Haida Gwaii following the salmon While their father fishes the girl and her brother spend their time on the land playing and learning from Tsinii Grandfather *Dancing with Our Ancestors*

Sara Florence Davidson, Robert Davidson, 2022-09-06 In this tender picture book Sara Florence Davidson transports readers to the excitement of a potlatch in Hydaburg Alaska her last memory of dancing with her late brother It feels like my brother and I have always known how to sing the songs and dance the dances of our Haida ancestors Unlike our father we were born after the laws that banned our cultural practices were changed The potlatch ban did not exist during our time so we grew up dancing and singing side by side The invitations have been sent The food has been prepared The decorations have been hung And now the day of the potlatch has finally arrived Guests from all over come to witness this bittersweet but joyful

celebration of Haida culture and community Written by the creators of Potlatch as Pedagogy this book brings the Sk ad a Principles to life through the art of Janine Gibbons *Mischief Making* Nicola Levell, 2021-10-15 In a gorgeously illustrated exploration of the art of Michael Nicoll Yahgulanaas *Mischief Making* disproves any notion that play is frivolous Deploying mischievous tactics Yahgulanaas shines a spotlight on serious topics Expressive and exuberant comic and imaginative these characteristics suffuse the work of the internationally recognized creator of Haida manga His distinctive style stretches twists and flips the form lines of classic Haida art to create imagery that resonates with the graphic vitality of Asian manga *Mischief Making* delineates the evolution of the artist's visual practice into a uniquely hybrid aesthetic uncovering its philosophical underpinnings This engaging beautiful book reveals the artist's deep understanding of the seriousness of play As he investigates the intersections of Indigenous and other worldviews the politics of land cultural heritage and global ecology Yahgulanaas disrupts the expected allowing different ways of experiencing knowing and seeing the world to emerge
