Charles Yrigoyen Jr.,Susan E. Warrick,2013-11-07 Methodism is growing both in numbers and influence according to the World Methodist Council there are 78 Methodist Wesleyan and related Uniting and United churches representing over 80 million people in more than 130 nations There are clear reasons for its success Among them are commitment to evangelize and nurture people with the message of God s presence love and direction That includes an appreciation for and practice of the holistic nature of the Wesleyan tradition which involves faith nurtured in the biblical narrative disciplined personal and communal spirituality and holy living vibrant preaching worship and fellowship and a faith which rejoices in personal and social reform This third edition of Historical Dictionary of Methodism presents the history of Methodism through a detailed chronology an introductory essay an extensive bibliography and over 500 cross referenced dictionary entries on important institutions and events doctrines and activities and especially persons who have contributed to the church and also broader society in the three centuries since it was founded This book is an ideal access point for students researchers or anyone interested in the history of the Methodist Church Sunfish Edmonson County Kentucky: Oasis of Catholicism James Simon,2014-03-24 The edit and re issue of this book is dedicated to James H Simon a dedicated genealogist My sincere thanks go to him for the information he compiled before the age of computers His work was compiled over many years of research using only 3x5 index cards scribbled notes and then transferred to paper on a typewriter I can only imagine how difficult this task was to complete in 1987 Simon s research has been treasured by amateur genealogists and used as the foundation of many family trees This edit and re issue of his book promotes James Simon s original stated goal for developing his book I hope I can influence others to get going on their family tree The longer one puts it off the harder it will be to find answers Every day more and more of our past is lost either through the loss of irreplaceable records or through the deaths of the people who lived the information genealogists seek Thank you James Simon **A Will to Choose** J.
