Sakyadhita Daughters Of The Buddha:

Sakyadhita: Daughters of Buddha Karma Lekshe Tsomo, 1988 **Sakyadhītā, Daughters of the Buddha** Karma Lekshe Tsomo, 1988 Women Buddhist renunciates from East West talk candidly about their lives **Buddhism After Patriarchy** Rita M. Gross, 1993-01-01 This book surveys both the part women have played in Buddhism historically and what Buddhism might become in its post patriarchal future The author completes the Buddhist historical record by discussing women usually absent from histories of Buddhism and she provides the first feminist analysis of the major concepts found in Buddhist religion Gross demonstrates that the core teachings of Buddhism promote gender equity rather than male dominance despite the often sexist practices found in Buddhist institutions throughout history *Women's Movements in Asia* Mina Roces, Louise Edwards, 2010-06-10 Women s Movements in Asia is a comprehensive study of women s activism across Asia With chapters written by leading international experts it provides a full overview of the history of feminism as well as the current context of the women s movement in 12 countries the Philippines China Indonesia Japan Burma Singapore Vietnam Malaysia Thailand Cambodia Hong Kong Korea India and Pakistan For each of these countries the manner in which feminism changes according to cultural political economic and religious factors is explored The contributors investigate how national feminisms are influenced by transnational factors such as the women s movements in other countries colonialism and international agencies Each chapter also considers what Asian feminists have contributed to global theoretical debates on the woman question the key successes and failures of the movements and what needs to be addressed in the future This breadth of coverage together with suggestions for further reading and watching and an integrated cross national timeline makes Women s Movements in Asia ideal for use on courses looking at women and feminism in Asia It will appeal both to students and specialists in the fields of gender women s and Asian studies *Introduction to World Religions* Christopher Hugh Partridge, 2005 Objective authoritative and lavishly illustrated with nearly 200 full colour photographs maps and diagrams Introduction to World Religions will be widely welcomed by all those seeking to understand the complexity and diversity of the world s religious landscape *Reading Spiritualities* Dawn Llewellyn, 2016-04-01 The phenomenon of sacred text has undergone radical deconstruction in recent times reflecting how religion has broken out of its traditional definitions and practices and how current literary theories have influenced texts inside the religious domain and beyond Reading Spiritualities presents both commentary and vivid examples of this evolution engaging with a variety of reading practices that work with traditional texts and those that extend the notion of text itself The contributors draw on a range of textual sites such as an interview Caribbean literature drama and jazz women s writings emerging church blogs Neopagan websites the reading practices of Buddhist nuns empirical studies on the reading experiences of Gujarati Christian and post Christian women Chicana short stories the mosque cinema modern art and literature These examples open up understandings of where and how sacred texts are emerging and being reassessed within contemporary religious and spiritual contexts and make

room for readings where the spiritual resides not only in the textual but in other unexpected places Reading Spiritualities includes contributions from Graham Holderness Ursula King Michael N Jagessar David Jasper Anthony G Reddie Mich le Roberts and Heather Walton to reflect and encourage the interdisciplinary study of sacred text in the broad arena of the arts and social sciences It offers a unique and well focused snapshot of the textual constructions and representations of the sacred within the contemporary religious climate accessible to the general reader as well as more specialist interests of students and researchers working in the crossover fields of religious theological cultural and literary studies *World Religions* Jeaneane D. Fowler,2000-09-01 An introduction to the world religions of Judaism Christianity Islam Hinduism Buddhism and Sikhism Emphasis is placed on the living religion and the whole work is designed as a first level introduction for those who have little or no previous knowledge of these religions **This Fresh Existence** Cindy Rasicot,2024-04-09 A TV personality academic and author Bhikkhuni Dhammananda defied convention to become the first woman fully ordained in the Thai Theravada Buddhist tradition She shattered gender barriers and inspired a new era of equality and compassion Her student American author Cindy Rasicot tells her story and shares Bhikkhuni Dhammananda s gentle wisdom and direct insights about how to live a more compassionate life **Buddhist Missionaries in the Era of Globalization** Linda Learman,2004-11-30 This insightful volume dispels the common notion that Buddhism is not a missionary religion by revealing Asian Buddhists as active agents in the propagation of their faith It presents at the same time a new framework with which to study missionary activity in both Buddhist and other religious traditions Included are case studies of Theravada Chinese and Tibetan Buddhist teachers and congregations as well as the Pure Land Shingon Zen and Soka Gakkai traditions of Japan Contributors examine both foreign and domestic missions and the activities of emigrant communities showing the resources and strategies garnered by late nineteenth and twentieth century Buddhists who worked to uphold and further their respective traditions often under difficult circumstances Based on anthropological fieldwork and historical research the essays break new ground and provide better analytical tools for studying mission activity than previously available They provide instructive comparisons with Anglo American Protestant missionary thinking and offer insights into the internal dynamics of Sri Lankan and Japanese missions as they make their way in Protestant and Catholic societies Also included are nuanced studies of two major missionary figures in late twentieth century Chinese Buddhism and a fascinating look at the present Dalai Lama s relationships with his devotees and the American government viewed through an exposition of the abiding tradition within Tibetan Buddhism that combines mission activity with the political goals of exiled lamas Contributors Stuart Chandler Peter B Clarke C Julia Huang Steven Kemper Linda Learman Sarah LeVine Richard K Payne Cristina Rocha George J Tanabe Jr Gray Tuttle Introduction to World Religions Christopher Partridge,2018-07-01 This leading textbook for world religion is designed to help students in their study and research of the world s religious traditions Known and valued for its balanced approach and its respected board of consulting editors this text addresses ways to study religion

provides broad coverage of diverse religions and offers an arresting layout with rich illustrations Introductory sections on understanding religion and the religions of antiquity lay the foundation for the study of the numerous religious traditions highlighted in the volume including indigenous religions Hinduism Buddhism Jainism Judaism Christianity Islam Sikhism and Chinese Korean and Japanese religions The user friendly content is enhanced by charts of religious festivals historic timelines updated maps of the world s religions and a useful glossary Both historical overviews and modern perspectives for each religion are included This third edition has several updates including a new design a new section on women and religion and a newly revised section on religions in today s world **A Short Introduction to World Religions** Tim Dowley,2018-07-01

This leading textbook for world religions is now available in a more concise version Many of the features of Introduction to World Religions are retained in this volume but with focus on the religious traditions themselves The section on religions of antiquity has been removed and key content in each chapter streamlined to increase accessibility for students in their study and research of the world s religious traditions Known and valued for its balanced approach this book offers an arresting layout with rich illustrations It continues to provide broad coverage of diverse religions including indigenous religions Hinduism Buddhism Jainism Judaism Christianity Islam Sikhism and Chinese Korean and Japanese religions The user friendly content is enhanced by charts of religious festivals historic timelines updated maps of the world s religions and a useful glossary Both historical overviews and modern perspectives for each religion are included This edition includes several updates made to the new third edition including a new design a new section on women and religion and a newly revised section on religions in today s world World Religions and Contemporary Issues Brennan Hill,2013

To live in a global society and make sense of world events requires more than a cursory understanding of world religions and the roles they play This fascinating in depth academic study of the five major religions focuses on each group s response to some of the most critical social issues of our time ecology peace and women s rights The author also highlights individual religious heroes and provides links to numerous digital sources for further research making this a particularly timely and personalized approach to the study of world religions and their far reaching impact at every level of society Book jacket **Feminism, Law, and Religion** Marie Failinger,Elizabeth Schiltz,Susan J. Stabile,2016-04-15 With contributions from some of the most prominent voices writing on gender law and religion today this book illuminates some of the conflicts at the intersection of feminism theology and law It examines a range of themes from the viewpoint of identifiable traditions such as Judaism Christianity Islam and Buddhism from a theoretical and practical perspective Among the themes discussed are the cross over between religious and secular values and assumptions in the search for a just jurisprudence for women the application of theological insights from religious traditions to legal issues at the core of feminist work feminist legal readings of scriptural texts on women s rights and the place that religious law has assigned to women in ecclesiastic life Feminists of faith face challenges from many sides patriarchal remnants in their own tradition dismissal of their faith commitments by secular

feminists and balancing the conflicting loyalties of their lives The book will be essential reading for legal and religious academics and students working in the area of gender and law or law and religion **Plunging Through the Clouds** David K. Reynolds,1993-01-26 Constructive Living brings together two psychotherapies Morita and Naikan and their associated lifeways Both therapies were developed in this century but their roots extend back hundreds of years in East Asian history Morita was a professor of psychiatry at Jikei University School of Medicine in Tokyo Yoshimoto was a successful businessman who retired to become a lay priest in Nara Morita's method has its origins in Zen Buddhist psychology and Yoshimoto's Naikan has its origins in Jodo Shinshu Buddhist psychology Neither of these systems requires that one believe in Buddhism or have faith in anything other than one's experience They work as well for Christians and Moslems and Jews as for Buddhists Both are built on the naturalistic observations of humans and careful introspection of their founders Constructive Living isn't mystical or oriental but practical and human **Westward Dharma** Charles S. Prebish,Martin Baumann,2002-12-04 Like seeds on the wind Buddhist teachings continue to reach new lands This outstanding book brings to light in rich detail the current flowering of Buddhism in the West Long a world religion Buddhism is now a global one Kenneth Kraft author of *The Wheel of Engaged Buddhism* Westward Dharma deserves a place on the growing bookshelf of contemporary Buddhist studies Prebish and Baumann broaden our horizons from North America to the wider Western world exploring key aspects of Buddhism's most recent geographical and cultural expansion Paul David Numrich coauthor of *Buddhists Hindus and Sikhs in America* *Women in the Footsteps of the Buddha* Kathryn R. Blackstone,2013-11-19 A detailed exploration of the quest for liberation on the part of the early bhikkunis Only text in the Buddhist tradition of known female authorship Important to anyone investigating women's own perspective on their religion Also provides a clear statement about how renunciants understand nibbana **Saved by Philosophy** Steven H. Propp,2007-03-01 Hypatia Washington is 22 years old an unemployed widow living on welfare and estranged from her four year old daughter she is profoundly alienated from life when she enrolls in a community college course in Philosophy thus beginning a profound journey of the mind and heart She debates skeptics as well as Christian apologists about Evolution Islam Womanism and God while lecturing about ethics science consciousness and the meaning of human history She analyzes not only philosophers such as Russell Rawls Wittgenstein and Sartre but wrestles with such questions as Which famous philosophers were racists Was Heidegger a Nazi Was Wittgenstein homosexual Did Foucault know he had AIDS Were any important philosophers women Or black Professor Washington is no ivory tower philosopher she agonizes over the Rodney King trial and its aftermath The O J Simpson verdict the death of Tupac Shakur the Black Athena controversy and the publication of *The Bell Curve* as well as the horrors of September 11 2001 and its consequences Join Hypatia in her pursuit of the Amor Dei Intellectualis intellectual love of God **The Heart of the Lotus** Sylvia Wetzel,2015-06-25 Why do present day women take an interest in a middle age religion Buddhism like Christianity was founded by a male teacher and was organised transmitted

and interpreted by men This book is a protocol of an encounter A contemporary woman has read the teachings of the Buddha against the grain and has found some first answers and many more questions In order for a religion to stay alive it has to be rediscovered by every generation anew Just to follow tradition is not enough Whenever women take interest in a traditional religion be it Buddhism Christianity Judaism or Islam they are given a double task We are looking for a contemporary expression of an old teaching Many contemporary male Buddhists from the West and some from Asia are working on this task Women have to read patriarchal teachings critically with the eyes of a woman The Heart of the Lotus presents central teachings of Buddhism and describes traps we fall into if we don not consider our cultural background and our biological sex and social gender It takes up typical questions women are asking and presents first results concepts and exercises which can support contemporary women and men on their path to inner and outer freedom Blossoms of the Dharma Thubten Chodron,1999 In the first book to reflect the voices of Buddhist nuns from every major tradition 14 contributors describe their experiences explain their order s history and discuss their lives 14 photos **Exile as Challenge** Dagmar Bernstorff,Hubertus von Welck,2003 This Book Is An Attempt To Document The Lives Of Members Of The Exiled Tibetan Community In Indian And Elsewhere It Thus Aims To Fill A Gap In Our Understanding The Book Focuses On Two Main Themes How Tibetans In Exile Preserve Their Culture And How The Community Prepares Itself For The Return To Tibet The Book Also Carries An Interview With His Holiness The Dalai Lama
