More Irish Ghost Stories Patrick Byrne, 1988-01-01 The second volume of supernatural tales from all over Ireland

Irish Ghost Stories David Marcus, 1999 The Irish have a long and impressive tradition of ghost storytelling reaching back to Gaelic tales of the banshees David Marcus has gathered together a ghostly cast more inclined to 20th century methods of haunting including the spirit who taps out SOS signals on central heating pipes **True Irish Ghost Stories** John D. Seymour, Harry L. Neligan, 2005-07-26 Poltergeists and banshees spirit filled houses and deathbed scenes pervaded by specters fill this enchanting treasury of tales based on supernatural phenomenon Compiled from Ireland's abundant reserve of ghost stories this richly varied collection of legendary and ancestral phantoms uncanny forewarnings of death and a host of other unearthly experiences relies on the memories of ordinary Irish folk scattered throughout the isle The collection of entertaining tales was the offspring of a newspaper article in which authors St John D Seymour a Church of England priest and his colleague Harry L Neligan asked contributors to send in their favorite ghost stories which many happily did Classified by geographical area the simple yet compelling narratives at once disarming convincing and illuminating provide amazing descriptions of paranormal experiences An entertaining authentic glimpse of late 19th and early 20th century Ireland and the superstitious natures of its people *True Irish Ghost Stories* is a delightful treasury of other worldly happenings to be shared by devotees of Irish lore mystery lovers and connoisseurs of the paranormal **Irish Ghost Stories** Padraic O'Farrell, 2004-03-02 The ghost story holds a special place in Ireland It provided the raw material for evenings of storytelling that were a common feature of country life up to the 1950s and frequently beyond Unexplained psychic phenomena fascinate people from all walks of life Many are afraid ashamed and embarrassed to come forward for fear of not being taken seriously Of course we can't prove that ghosts exist we are in a different realm of consciousness when we talk about ghosts But however strange or unusual the feelings that people experience the experiences themselves are nonetheless real *Irish Ghost Stories* Patrick F. Byrne, 2001 True Irish Ghost Stories St. John D. Seymour, Harry L. Neligan, 2017-11-18 For centuries Ireland has been a place of the uncanny with tales and legends of magic and curses ghosts and fantastical beings each and every story told breathlessly and with an oath to its truth When researcher St John D Seymour placed a series of ads in local Irish newspapers soliciting people's tales of their encounters with ghosts he was doubtful of what results he might obtain Within a month he received enough ghostly narratives to fill a book and still more were on the way In *True Irish Ghost Stories* he and Harry Neligan share the accounts they were sent from all corners of the Emerald Isle tales of haunted houses and haunted places of apparitions and harbingers of the famous Banshee and other legendary ghosts and even a few cases that resulted in rational explanations for the apparently supernatural goings on But whatever the stories represent to the tellers or the listeners one fact emerges clearly The fantastic and the supernatural are as much a part of the present as they are the past in Ireland The new Factual Planet edition of this seminal classic features memorable original photos of

Ireland and an introduction by Patrick Dorsey author of the bestselling true ghost stories collection Haunted Webster Groves

The Second Book of Irish Ghost Stories Patrick F. Byrne,1971 *True Irish Ghost Stories* St John D. Seymour,Harry L Neligan,2023-12-23 True Irish Ghost Stories is an enthralling anthology that delves into the spine chilling and mystical realm of Irish hauntings and specters This collection captures the reader s imagination with its vivid portrayal of ghostly encounters ranging from the chilling echoes of ancient legends to unsettling modern manifestations The anthology s strength lies in its diverse range of narratives blending folklore s ethereal charm with the raw intensity of personal hauntings set against the backdrop of Ireland s rich historical tapestry Particularly captivating are the tales that explore haunted castles and rural phantoms each story a masterclass in storytelling that demands to be examined and savored Editors St John D Seymour and Harry L Neligan bring together their expertise on Irish folklore and cultural history offering readers a curated collection that pays homage to Ireland s legendary narrative tradition Seymour and Neligan s meticulous approach sheds light on how the collective memory of a culture preserves its most beguiling myths and supernatural folklore The authors drawing from diverse backgrounds and myriad influences come together to present a tapestry of narratives that echo the shadowy corridors of Irish history and identity A must read for those seeking an authentic literary experience True Irish Ghost Stories provides an invaluable window into the multifaceted world of Irish folklore Through these stories readers are invited into a dynamic dialogue with the supernatural engaging with narratives that challenge perceptions and expand the horizons of the imagination Whether for its compelling storytelling or its educational insights into Ireland s spectral history this anthology promises a rewarding journey for seekers of the unknown In this enriched edition we have carefully created added value for your reading experience Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes **True Irish Ghost Stories** John Seymour,2012-12-12 There is something so natural and at the same time so unnatural in seeing a door open when we know that there is no one on the other side of it or in hearing the sound of footsteps and feeling that it cannot be attributed to the feet of a mortal These simple yet compelling narratives provide amazing descriptions of poltergeists and banshees spirit filled houses deathbed scenes and uncanny fore warnings of death *Haunted Houses in Mogh's Half - Ghost Stories from Northern Ireland (Fantasy and Horror Classics)* St John D. Seymour,2012-10-19 St John D Seymour was a minister and explorer who spent his life documenting what he regarded as real life examples of witches banshees poltergeists ghosts and apparitions Many of the Gothic romance and horror stories particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Second book of Irish ghost stories* 71 P. F. Byrne,1971 **Japanese Ghost Stories** Lafcadio Hearn,2019-07-25 The dead wreak revenge on the living paintings come alive spectral brides possess mortal men and a priest devours human flesh in these chilling Japanese ghost stories retold by a master of the supernatural Lafcadio Hearn

drew on the phantoms and ghouls of traditional Japanese folklore including the headless rokuro kubi the monstrous goblins jikininki or the faceless mujina who stalk lonely neighbourhoods and infused them with his own memories of his haunted childhood in nineteenth century Ireland to create these terrifying tales of striking and eerie power Today they are regarded in Japan as classics in their own right Edited with an introduction by Paul Murray **True Irish Ghost Stories** St. John Drelincourt Seymour,1997 **Irish Ghost Stories** Robert Bernen,Joseph Hone,1977 True Irish Ghost Stories (Classic Reprint) John D. Seymour,2017-11-21 Excerpt from True Irish Ghost Stories As the number of clergy in the above village who deal in ghost stories is strictly limited the Post Office succeeded in delivering it safely I wrote at once in reply and got a story In a letter bearing the Dublin postmark a correspondent veiled in anonymity sent me a religious tract with the curt note Re ghost stories will you please read this I did so but still fail to see the sender's point of view Another person in a neighbouring parish declared that if I were their rector they would forthwith leave my church and attend service elsewhere There are many I fear who adopt this attitude but it will soon become out of date About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **True Irish Ghost Stories** St. John Drelincourt Seymour,1986-02-01 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide *Irish Ghost Stories* Patrick Francis Byrne,1965 **True Irish Ghost Stories** Various,2023-08-12 In True Irish Ghost Stories a compelling anthology various authors weave together a fascinating tapestry of Irish folklore and supernatural occurrences This collection celebrating the rich tradition of ghost narratives features tales that range from spine tingling hauntings to more whimsical apparitions all steeped in the unique cultural backdrop of Ireland The literary style embraces both vivid description and oral storytelling nuances evoking a sense of place and time that places these stories within a broader literary context of gothic and romantic literature while also capturing the essence of the Irish landscape and its people The contributors to this anthology encapsulate a diverse range of Irish life and history reflecting the tumultuous influences of belief superstition and communal storytelling in Ireland Through their intimate familiarity with the landscape and its legends these authors draw upon personal experiences and regional folklore capturing the essence of the ghost stories that have shaped Ireland's

cultural identity Their collective voice not only preserves the tales for future generations but also invites the reader to consider the intersection of reality and myth True Irish Ghost Stories is an essential read for anyone interested in folklore the supernatural or the depth of Irish culture This collection not only entertains but also fosters a deeper appreciation for the elements of storytelling that have long intrigued humanity As you turn the pages prepare to be transported to the haunted corridors of Irish history where every shadow has a story to tell
