My Journey Back To Oneness:

My Journey Back to Oneness Mark Perkins, 2004 We spend a great deal of our lives both awake and asleep wondering about the great mysteries of our lives Why am I here What is the meaning of life Why me Is there a God Many of these questions are unanswerable at this point in our path of enlightenment as humans Many can be answered if we allow ourselves to learn our lessons and Reconnect with the Divine Source Through My Journey Back to Oneness we will go on a journey of rediscovery This journey offers you the probability of experiencing healing on physical mental and spiritual levels A journey back to the place where we all started a place of Oneness with the Divine Source Our journey will begin with a refocusing of our perceptions of good and bad us and them and the other representation of duality that influences how we experience the world around us We will then get a glimpse of the concepts behind Hawaiian mysticism and Shamanism and establish the basic understanding of energy and reality as defined in these concepts A brief comparison of religious beliefs follows along with an exploration of a very powerful healing tool prayer This is followed by an exploration of the applications of these concepts Next we will investigate the ancient qualities and basic nature of the concepts discussed Further we will attempt to make ties between these concepts and the origins of human beings Finally there are several appendices outlining recommended readings and training that can enhance your personal journey back to oneness **It'S All About Love—My**

Thomas Merton Robert Inchausti,2014-02-01 Considers the legacy of Thomas Merton and his relevance for contemporary times With the publication of The Seven Storey Mountain in 1948 Thomas Merton became a bestselling author writing about spiritual contemplation in a modern context Although Merton 1915 1968 lived as a Trappist monk he advocated a spiritual life that was not a retreat from the world but an alternative to it particularly to the deadening materialism and spiritual vacuity of the postwar West Over the next twenty years Merton wrote for a wide audience bringing the wisdom of Christianity Buddhism and Sufism into dialogue with the period s contemporary thought In Thinking through Thomas Merton Robert Inchausti introduces readers to Merton and evaluates his continuing relevance for our time Inchausti shows how Merton broke the high modernist trance so that we might become the change we wish to see in the world by refiguring the lost virtues of silence contemplation and community in a world enamored by the will to power virtuoso performance radical skepticism and materialist metaphysics Merton s defense of contemplative culture is considered in light of the postmodern thought of recent years and emerges as a compelling alternative Inchausti explores Merton s understanding of Western Christian monasticism and provides new insights into his critique of modernity Curt Cadorette author of Catholicism in Social and Historical Contexts An Introduction A Course in Miracles OE - Complete William Thetford; Helen Schucman,2023-12-26 Unlock Your Psychic Powers Richard Lawrence,2025-04-29 Everyone can be psychic There s nothing strange about it It s just another part of being human I wasn t born with any gift I learnt from scratch SO CAN YOU
