Old Story Of Salvation:

Christ In Song ,2008 Growing up Absorbed Richard S. Gilbert,2014-05-12 How long does it take to grow a soul to love and to be loved and to help repair the world One lifetime so it is best to be totally engaged in the process Growing Up Absorbed follows the journey from cradle to grave through an education focus There are no shortcuts in this spiritual pilgrimage It can be hard but we are companioned along the way What happens is what Gilbert calls spiritual osmosis absorbing what the world has to teach us and passing on what we have learned an absorbing business Within these covers lies a history of religious education in the Unitarian Universalist tradition with reflections on faith development in the 21st century Beginning with Walt Whitmans poem A Child Went Forth as a metaphor the author concludes with life questions that empty the room He finds the journey has its valleys plateaus and mountain peaks and is no casual matter Gilbert shares his excitement on making the journey *Interpretations of Beowulf* Robert D. Fulk,1991-03-22 Interpretations of Beowulf brings together over six decades of literary scholarship Illustrating a variety of interpretative schools the essays not only deal with most of the major issues of Beowulf criticism including structure style genre and theme but also offer the sort of explanations of particular passages that are invaluable to a careful reading of a poem This up to date collection of significant critical approaches fills a long standing need for a companion volume for the study of the poem Larger patterns in the history of Beowulf criticism are also traceable in the chronological order of the collection The contributors are Theodore M Andersson Arthur Gilchrist Brodeur Jane Chance Laurence N de Looze Margaret E Goldsmith Stanley B Greenfield Joseph Harris Edward B Irving Jr John Leyerle Francis P Magoun Jr M B McNamee S J Bertha S Phillpotts John C Pope Richard N Ringler Geoffrey R Russom T A Shippey and J R R Tolkien A Documentary History of Unitarian Universalism, Volume Two Dan McKanan,2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future
