Our Dialogue with Rome; the Second Vatican Council and After George Bradford Caird, 1967 *Our Dialogue With Rome* G. B. Caird, 1990-01-01 [Our Dialogue With Rome](#) George Bradford Caird, 1967 [Reforming Rome](#) Donald W. Norwood, 2015-01-16 Few people realize that Karl Barth one of the twentieth century's greatest Protestant theologians was among a select group of non Catholic guests who were invited to the Second Vatican Council 1962-65 to assist in the reform and renewal of the Roman Catholic Church In *Reforming Rome* Donald Norwood offers the first book length study of Barth's involvement with Vatican II and his significant impact on the reform of the Catholic Church Norwood examines Barth's critical engagement with the Roman Catholic Church from his time at the Catholic University of Munster to his connection with Vatican II his conversations with Pope Paul VI and seminars and interviews he gave about the Council afterward On the basis of extensive research Norwood amplifies Barth's own very brief account of Vatican II Barth himself often felt that he was better understood by Roman Catholics such as Hans Urs von Balthasar and Joseph Ratzinger than he was by his own Reformed colleagues This study written by a fellow Reformed theologian helps us to see why **Modern Western Christian Theological Understandings of Muslims Since the Second Vatican Council** Mahmut Aydin, 2002

Receptive Ecumenism as Transformative Ecclesial Learning Paul D. Murray, Gregory A. Ryan, Paul Lakeland, 2022-05-26 Receptive Ecumenism asks not what other churches can learn from us but what can we learn and receive with integrity from our ecclesial others Since the publication of *Receptive Ecumenism and the Call to Catholic Learning Exploring a Way for Contemporary Ecumenism* OUP 2008 this fresh ecumenical strategy has been adopted critiqued and developed in different Christian traditions and in local national and international settings including the most recent bilateral dialogue of the Anglican Roman Catholic International Commission ARCIC III The thirty eight chapters in this new volume by academics church leaders and ecumenical practitioners who have adopted and adapted Receptive Ecumenism in various ecclesial and cultural contexts show how Receptive Ecumenism has grown and matured Part One demonstrates how Receptive Ecumenism itself is capable of being received with integrity into very different ecclesiologies and ecclesial traditions In Part Two this approach to transformative ecumenical learning is applied to some recurrent ecclesial problems such as the understanding and practice of ministry revealing new insights and practical opportunities Part Three examines the potential and challenges for Receptive Ecumenism in different international settings Part Four draws on scripture hermeneutics and pneumatology to offer critical reflection on how Receptive Ecumenism itself implements transformative ecclesial learning Addressing the 70th Anniversary of the World Council of Churches Archbishop Justin Welby said that One of the most important of recent ecumenical developments has been the concept of Receptive Ecumenism This volume provides an indispensable point of reference for understanding and applying that concept in the life of the Christian churches today [The Trinity and the Religions](#) , Loe Joo Tan, 2018-09-15 Will the followers of other religions who have not heard of

the gospel be saved Since the Second Vatican Council the Catholic church has been grappling with this question culminating in a recent document *Dominus Iesus* in 2000 In the post DI climate the British theologian Gavin D Costa has been described as a representative post DI theologian of religions And with good reason since other theologians such as Jacques Dupuis whose work along the lines of neo Rahnerianism have been curtailed by DI D Costa s work has spanned the past three decades and is aimed at developing a theology that echoes developments within the Catholic church s efforts to grapple with the existence of other religions In doing so he has appropriated the doctrine of the Trinity by reasoning it provides the very resources for interacting with Others and developed a form of Trinitarian inclusivism Based on the work of patristic theologians such as Lewis Ayres and Michel Barnes and their conception of a Pro Nicene theological matrix this book is an attempt to assess whether D Costa s utilization of trinitarian resources for contemporary concerns is faithful to the tradition The book concludes that while there is much to commend in D Costa s system there remain some features not fully consonant with classical Trinitarianism T&T Clark Companion to Nonconformity Robert Pope,2013-11-21 Protestant Nonconformity the umbrella term for Congregationalists Presbyterians Baptists Methodists and Unitarians belongs specifically to the religious history of England and Wales Initially the result of both unwillingness to submit to the State s interference in Christian life and a dissatisfaction with the progress of reform in the English Church Nonconformity has been primarily motivated by theological concern ecclesial polity devotion and the nurture of godliness among the members of the church Alongside such churchly interests Nonconformity has also made a profound contribution to debates about the role of the State to family life and education culture in general trade and industry the development of philanthropy and charity and the development of pacifism In this volume for the first time Nonconformity and the breadth of its activity come under the expert scrutiny of a host of recognised scholars The result is a detailed and fascinating account of a movement in church history that while currently in decline has made an indelible mark on social political economic and religious life of the two nations

Vatican Council II Elizabeth Harrington,David Orr,Carmel Pilcher,2013-08-31 Sacrosanctum Concilium opened the door to all Christians to understand the contemporary challenge to their life and health and it started with the reform of the liturgy In the words of Paul VI the liturgy is the first source of life communicated to us the first school of our spiritual life the first gift we can give to Christian people by our believing and praying and the first invitation to the world That is surely true for all of us *Dictionary of Major Biblical Interpreters* Donald K. McKim,2007-11-12 Donald K McKim edits this revised and expanded edition of IVP s *Historical Handbook of Major Biblical Interpreters* With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis A Jubilee for All Time Gilbert S Rosenthal,2017-03-31 In 1965 the Second Vatican Council formally issued a historic document titled *Nostra Aetate* In Our Time It was an attempt to frame the relationship between the Roman Catholic Church and the Jewish people Never before had an ecumenical council attempted such a task The landmark

document issued by the Council and proclaimed by Pope Paul VI precipitated a Copernican revolution in Catholic Jewish relations and started a process that has spread to the Protestant and Orthodox worlds as well. A Jubilee for All Time consisting of essays and reflections by Catholic Protestant Orthodox and Jewish scholars and theologians by pastors and professors from the United States Canada Ireland Great Britain and Israel is an evaluation of what Nostra Aetate has accomplished thus far and how Christian Jewish relations must proceed in building bridges of respect understanding and trust between the faith groups. A Jubilee for All Time serves as a source of discussion learning and dialogue for scholars students and intelligent laypersons who believe that we must create a positive relationship between Judaism and Christianity.

Ascend Eric Stoltz, Vince Tomkovicz, 2009 This book is a contemporary scripture rich and visual exploration of the Catholic faith for young adults. There are chapter profiles on Christian role models from both ancient and modern times and discussions of contemporary events from a Christian perspective. Adapted from back cover Edward Schillebeeckx and Interreligious Dialogue Edmund Kee-Fook Chia, 2012-01-23 If Schillebeeckx had been Asian how would he have responded to the phenomenon of religious pluralism? This book attempts to answer that question beginning with a dialogue with the Vatican Declaration *Dominus Iesus* and discerning how Schillebeeckx's methodology has been applied in Asian theology. Employing the hermeneutical critical method Schillebeeckx asserts that the Word of God did not come down to us as it were vertically in a purely divine statement; it must be interpreted. In today's context of so many religions so many cultures and so many poor God's Word invites the church to be a sacrament of dialogue. Through dialogue the church will be challenged by other religions and challenge them in return. Christianity will then be put in its place as well as given the place which is its due. That They May All Be One Walter Kasper, 2004-01-01 Cardinal Kasper is a distinguished theologian who was a colleague of Cardinal Ratzinger Karl Rahner and Hans Kung at The Universities of Münster and Tübingen. Kasper now heads the Vatican's Council for Promoting Christian Unity with the specific task of fostering relations between the Catholic Church and other Christian Churches and Ecclesial communities. Here he outlines his vision for the unity of Christian Churches. A man with an open mind Kasper covers one of the major responsibilities of the contemporary Catholic Church. His perspective of the uniqueness of The Catholic Church and its magisterium is presented here as a modern inquiry into the nature of truth. His views are enlightening and engaging and reflect the important role of dialogue as understood by the Catholic Church which also listens to other traditions and learns from them. Many will read it in the hope that the thought of this renowned open minded Church leader may give hope to people of all traditions that they may learn to understand Jesus's injunction they may be one. *Both Feet Firmly Planted in Midair* John J.
