Riding The Wings Of Poetic Dreams:

Riding the Wings of Poetic Dreams Laub,1998-12 **Life is Beautiful, Enjoy the Ride -- A Poet's Guide to Chronic Illness** Mitch Koppel,2014-05-10 At the young age of 23 Mitch Koppel received a devastating diagnosis of multiple sclerosis Twenty years of extreme health challenges inspired him to express his journey through poetry These poems immediately went viral with friends and family to the extent that they urged him to create a book about the story and the poetry it inspired I don't wish MS on my worst enemy even if I had a worst enemy Actually over our 20 year relationship my worst enemy has been myself all along and I'm not about to give MS to myself one more time In truth as counter intuitive as this may sound it was recently refreshing to hear that my MS has sort of reached its end game I heard this in the hospital no less I won't get any worse because I'm 1% of the folks that have reached a sort of illness finality I wasn't upset to hear this I was actually thrilled because never again will I lose sleep over what the disease had in store next will my limp get worse will I one day need a walker or God forbid a wheelchair It's all here now a path of physical and oft times mental destruction I have a white flag but it's never been raised You see I'm not defined by MS I'm not defined by what's next I'm not defined by its progress I'm defined or would like to be defined by breaking down barriers and setting an example for friends and family alike especially for my boys I used to agonize summarize and theorize that I wasn't worthy Other dads coached sports I sat aside Other dads played catch I sat aside Other dads would twirl their children in their arms suspend them in the air and run around in the yard I sat and stared Then it hit me my boys often call without a reason to tell me they love me Griffin likes to lie on the couch and play a game he made up called Five Kisses It used to be called Three Kisses but he wanted more Instead of self pity I try as best I can to live with self worth It has had a domino effect on my soul As the last tile lands forward the words on it read Not today MS Not today Blame games were a symptom of the past Spirituality has played a major role in turning grief into accepting I have everything else left to live for smiles to share and love to let grow this was and is my new awakening Like many ill or infirmed the seasons change but hearts and minds may be frozen In my heart In my soul In dark evenings of emptiness inside sunny days where I closed the blinds the miracle of spirituality found the quiet of my soul and memories of what I hope to never endure again Ultimately like rivers and streams all things run into one and passes through illness from times long since passed Each room every bed and endless ticking of the room's clock began from the basement of time A fly on the wall could tell countless stories of pain and suffering of waiting and wondering of tears and sorrow Of a belief of a better tomorrow Those before me leave fingerprints revealing it was their time and place Some of those fingerprints come to life under every room's bright hospital lights Beneath the lights are the echoes of their words I am haunted by hospitals **Favorite Poet's Choice 2009** Poets World-Wide,Patricia Ann Farnsworth-Simpson,2009-05-31 A book of poetry that covers all styles emotions and the situations we all face at times in life Featuring many of today's most respected poets who happily portray their own personal favorite poems **Godiva's Ride** Dorothy Mermin,1993-09-22

Students and teachers of Victorian women's careers will be grateful for Mermin's intelligent and equable guidance as they negotiate the paradoxes of Godiva's Ride. *Modern Philology* This brief study should be enormously helpful to students seeking an introduction to feminist approaches to Victorian writers. Choice Mermin's fine book is a work of synthesis that moves across many genres of women's writing and touches on neglected writers of the period as well as on the canonized few. *American Historical Review* Godiva's Ride is a stimulating and enjoyable study of an exceptionally rich subject. *Victorian Periodicals Review* Accessible, original and gracefully written, Godiva's Ride is likely to be as engrossing for the general reader as for the expert. *Victorian Studies* Describes the first great age of women's writing in England. Mermin discusses how women were encouraged to become writers, how they were discouraged and hindered, and what they wrote. The many women entering the mainstream of English literature in this era included the Brontës, Elizabeth Gaskell, George Eliot, Margaret Oliphant, Elizabeth Barrett Browning, Christina Rossetti, and Harriet Martineau. *The Dream of the Poem*, 2009-01-10

Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible. Fusing elements of East and West, Arabic and Hebrew, and the particular and the universal, this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language, place and time. Peter Cole's translations reveal this remarkable poetic world to English readers in all of its richness, humor, grace, gravity and wisdom. *The Dream of the Poem* traces the arc of the entire period, presenting some four hundred poems by fifty-four poets and including a panoramic historical introduction, short biographies of each poet and extensive notes. The original Hebrew texts are available on the Princeton University Press Web site. By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English, Cole's anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation, a body of lyric and didactic verse so intense, so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us. *The Dream of the Poem* is, Howard says, a crowning achievement. *How to Read Chinese Poetry*, Zong-qi Cai, 2008 In this guided anthology, experts lead students through the major genres and eras of Chinese poetry from antiquity to the modern time. The volume is divided into 6 chronological sections and features more than 140 examples of the best shi, sao, fu, ci and qu poems. A comprehensive introduction and extensive thematic table of contents highlight the thematic, formal and prosodic features of Chinese poetry, and each chapter is written by a scholar who specializes in a particular period or genre. Poems are presented in Chinese and English and are accompanied by a tone-marked romanized version, an explanation of Chinese linguistic and poetic conventions, and recommended reading strategies. Sound recordings of the poems are available online free of charge. These unique features facilitate an intense engagement with Chinese poetical texts and help the reader derive aesthetic pleasure and insight from these works as one could from the original. The companion volume *How to Read Chinese Poetry Workbook* presents 100 famous poems; 56 are new selections in Chinese, English and romanization.
