River To Rivet A Manifesto:

River to Rivet Douglas Messerli, 1984 *The Dance of the Intellect* Marjorie Perloff, 1996 Must poetic form be as Yeats demanded full sphere like single or can it accommodate the impurities Yeats and his Modernist generation found so problematic Sixty years later these are still open questions questions to which Marjorie Perloff addresses herself in the essays collected here The first group of essays deals with Pound's own poetics as that poetics related to two of his great contemporaries Stevens and Joyce as well as to the visual arts of his day The second group deals with the more technical aspects of verse and prose In the last four essays Perloff takes up broader issues including the current pessimism about the state of poetry and the work of experimental poets and conceptual poets Opposing Poetries: Readings Hank Lazer, 1996 Explains to structural engineers some of the basic equations for analyzing and designing buildings that were devised at the end of the 19th century but were so unmanageably complex to solve that they were displaced by approximation techniques until the recent advent of electronic computer Heyman engineering U of Cambridge warns that some of the equations turn out not to fit reality as close as future occupants of buildings might prefer and explains how to use them and in what context Annotation copyrighted by Book News Inc Portland OR *New Directions* 55 James Laughlin, 1991 Maxims from My Mother's Milk/hymns to Him Douglas Messerli, 1988 Sagetrieb, 1982 **Letters from Hanusse** Joshua Haigh, 2000 This volume is the third in The Structure of Destruction Douglas Messerli's exploration of evil the twentieth century Through a series of letters Haigh recounts his involvement in the early 1960s with a cult like group of two married couples as they share a house and sexual favours and later go underground in Paris The story intertwines the lives of figures real and fictional to explore the awful heritage and destructive actions of individuals and the culture as a whole in the late twentieth century

Along Without Douglas Messerli, 1993 Volume 1 of the trilogy The Structure of Destruction this film in which the characters speak poetry is a saga with parallels with AIDS and Smiles of a Summer Night Littoral Books a playful and profound filmscript poem play in which a startling array of found texts interwoven with the poet's own words and stage directions creates a narrative as suspenseful as it is poetic Marjorie Perloff **The Walls Come True** Douglas Messerli, 1995 In Part II of his trilogy The Structure of Destruction Douglas Messerli's study of evil in the 20th century the mysterious Claude Ricochet makes an appearance once again this time as the original author of a history of the French wartime Robert Croset families upon which The Walls Come True is based In Messerli's hands however Ricochet's original philosophical historical murder mystery becomes a large sprawling theatrical work incorporating film video mime dance theater and the literary techniques of poetry fable fiction and song Like Along Without the first volume of the trilogy in which Messerli restored Ricochet's film *Sans longtemps* The Walls Come True recounts the horrific effects of the 20th century upon individuals and their families and friends This work retells the story of the Robert Croset families in their travels throughout Vichy run France in World War II as the family falls into decline and the son is sold for his safety since he unknowingly is

Jewish to noted pederast Jean Croset a Paris judge The final act of this three hour opera traces the boy years later taking his revenge on the human race in New York a revenge which ends in his own tragic death at the hands of a tramp whom he mistakes for the detective who has been following him for years **The PIP Anthology of World Poetry of the 20th Century** Douglas Messerli,2000 The fifth volume of this acclaimed anthology features the work of innovative poets of southern California This gathering of 28 poets does not write a particular kind of poetry but as individuals they have worked together through a series of intersecting ideas and interests to create some of the best writing of contemporary poetry contradicting many of the simplistic notions of people outside of the region In his introduction editor Douglas Messerli provides a complete history of the loosely knit group and the interrelationships within it Silence All Round Marked Douglas Messerli,1991 Place as Purpose Martha Clare Ronk,Paul Vangelisti,2002 An anthology of Western poetry celebrating a conference of the Literary West *American Poetry Index* ,1987 *American Poetry Index* Roth Publishing, Inc. Staff,1987 *The Gertrude Stein Awards in Innovative American Poetry* ,1993 **The Whole Story** John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences My Year 2005 Douglas Messerli,2006 For years the noted author and founded publisher of Sun Moon Press and Green Integer has been spurred by fellow writers and friends to write his memoirs But Messerli argues that he does not have the sensibility to write only about his personal experiences since his life has been primarily defined by cultural encounters thus this annual collection of essays on these experiences as well as the hundreds of notable figures with whom he has had friendships and working relationships The 2005 volume includes Paul Auster Robert Creeley and John O Keefe among others **Gargoyle Magazine** ,1976 **After** Douglas Messerli,1998 Beginning in the late 1970s poet dramatist and fiction writer Douglas Messerli began casually translating poems that he had difficulty comprehending in other translations Describing these sometimes loosely translated works as poems after the originals he began experimenting in his own poetry with some of the poetic techniques and themes he had worked with in the poems of other languages In 1993 he began pairing the poems he had written with the poems after other writers **Contemporary Authors** Hal May,1986-02 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R Authors in this volume include Quentin Crisp Marcel Duchamp Monty Python
