Laidlaw, 2017-04-01 Judson Cleet was a gunslinger of ill repute going rapidly to seed and when he hit Old Town in Texas all he was looking for was the next saloon the next drink What he found was trouble trouble from men who attacked him for no possible reason and trouble from a young woman whose home was razed by fire and her husband hanged *Robbery Under Arms* Rolf Boldrewood, 2006 The quintessential bushranging adventure tale Robbery Under Arms has been an Australian classic virtually since it first appeared in book form in 1888 and its continuing appeal and popularity has seen the tale frequently adapted for stage radio film and television However over this time the novel s text has changed considerably It lost some material in early editions and these omissions were never repaired It was later abridged by its author but the publisher botched the job And as with any much reprinted work thousands of small changes gradually crept into the text This Academy Edition is the first full scale critical edition of the novel and is particularly vital given the instability of the text It presents the original text including some 29 000 words cut from later editions It allows contemporary readers and scholars for the first time to appreciate how the special qualities of the novel were partially flattened over time and to know exactly what material was omitted **Robbery Under Arms** Rolf Boldrewood, 1898 Robbery under Arms Thomas Alexander

Browne,2019-09-25 Reproduction of the original Robbery under Arms by Thomas Alexander Browne Acts of Theft Arthur A. Cohen,1988-01-26 An astonishing soaring and seizing novel that means no less than to explain human culture A detective story with a real detective and a real thief and yet all the while it is the mind that is being plundered of its own frights Cynthia Ozick Acts of Theft ranges from the lost world of the Austrian aristocracy to a thick walled hacienda in the jungles of Mexico in the 1950s Cohen has resurrected the special man the one for whom experience is a search an an intellectual problem the man who deceives himself grandly and discovers the fact when it may be too late Cohen s writing is as beautiful and complicated as it is possible for writing to be Rarely these days do novelists risk so much so successfully K Deborah Taub Baltimore Sun One of the rare novels that one can begin to reread as soon as the last page is finished By unfolding the drama of an artist obsessed by the authenticity and perfection of his work Arthur A Cohen recalls to us in fact the destiny of all human existence Acts of Theft ranks with the best novels of the post war period Mircea Eliade Acts of Theft is a very elaborate story of cops and robbers but it aspires to much more and its aspirations are largely fulfilled The parallels that spring to mind are Crime and Punishment and Les Misérables Joseph McLellan Washington Post **The Grand Theft Games Revenge of the Lawman** Charles Gautschi III,2019-12-20 I am the Lawman Below is my creed Like a religious creed it is chanted so I remember in exacting detail everything I believed All my actions I once had two milliseconds of love Then they were removed from me I can most assuredly attest that it s not better to have loved and lost than never to have loved at all Love fueled my excruciating anger And then anger s loyal bedfellow Revenge Love turned me into a hate fueled monster To the perpetrators it was merely a game Even if the authorities knew who they were there were no lawmen to punish them I was without hope without retribution I was strapped in a straitjacket with only memories to taunt my immobilized carcass So I did what any brave soul would do I went about the slow business of killing myself Then as foretold by Edgar Allen Poe ONCE upon a midnight dreary while I pondered weak and weary Over many a quaint and curious volume of forgotten lore While I nodded nearly napping suddenly there came a tapping As of some one gently rapping rapping It wasn t a Raven It was a hovering prophet from the past It had a message for me Son She s buried alive She s running out of time Find her She can do anything I found her grave deep in the Atlantic Ocean where I would live during her revival If she could do anything I knew what I wanted her to do Remove the straitjacket that bound me I brought her back to life We created marionette ghouls that were inspired by unnatural genetic instinct They avenged my lost love I labeled myself the Lawman and lived a villainous comic book hero s quest for revenge We killed every last one of them Playing the puppet master we tweaked the strings of my unnatural creatures Our monsters escaped and mutated into viral roaming death with a zombie s lack of empathy Revenge is not a cold meal Revenge is a warm fillet cut with a butter knife it s seasoned with blood for just the right amount of saltiness The blood has to be fresh it needs to be deoxygenated through the screams of its donor I am the Lawman That is my creed My confession The Second Coffeyville Bank Raid Matt Laidlaw,2017-04-01 When Jean
