

Robert and Elizabeth Barrett Browning: An Annotated Bibliography for 1972

By William S. Peterson

THE PRINCIPLES ADOPTED in compiling this bibliography are described at length in *Browning Institute Studies*, 1 (1973), 173-75. A new section this year, entitled "Late Entries," includes both items previously overlooked and reviews of books already listed.

The annotated bibliography of Browning scholarship for 1951-70 mentioned last year is still in preparation. For both that volume and this annual bibliography, we urge our readers to send us copies of—or at least references to—items that we might otherwise miss.
