Enigmatic vivid and terse James Joyce s *Dubliners* continues both to puzzle and to compel its readers This collection of essays by thirty contributors from seven countries presents a revolutionary view of Joyce s technique and draws out its surprisingly contemporary implications by beginning with a single unusual premise that meaning in Joyce s fiction is a product of engaged interaction between two or more people Meaning is not dispensed by the author rather it is actively negotiated between involved and curious readers through the medium of a shared text Here pairs of experts on Joyce s work produce meaning beyond the text by arguing over it challenging one another through it and illuminating it with relevant facts about language history and culture The result is not an authoritative interpretation of Joyce s collection of stories but an animated set of dialogues about *Dubliners* designed to draw the reader into its lively discussions *How Joyce Wrote Finnegans Wake* Luca Crispi,Sam Slote,2007 Publisher description Los Angeles Magazine ,2001-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Dark Star** Robert Greenfield,2024-01-17 For more than thirty years Jerry Garcia was the musical and spiritual center of the Grateful Dead one of the most popular rock bands of all time In *Dark Star* the first biography of Garcia published after his death Garcia is remembered by those who knew him best Together the voices in this oral biography explore his remarkable life his childhood in San Francisco the formation of his musical identity the Dead s road to rock stardom and his final crushing addiction to heroin Interviews with Jerry s former wives lovers family members close friends musical partners and cultural cohorts create a behind the scenes look at the making of a rock and roll
