Her last book was the award winning *Household Gods* a history of the British love affair with the home *The Patriarch* Susan Tifft,1993-02 *The Patriarch* traces the turbulent history of one of the nation s most powerful newspaper companies and the family that built it Based on years of archival research and interviews with Bingham intimates it is a searing examination of three generations of an American family beset with mystery and vicious rivalry 16 pages of photos **Allison Makes Hay** Theresa Helburn,1919 *Everybody's Magazine* ,1918 *Secrets of Victory* Michael S. Sweeney,2003-01-14 During World War II the civilian Office of Censorship supervised a huge and surprisingly successful program of news management the voluntary self censorship of the American press In January 1942 censorship codebooks were distributed to all American newspapers magazines and radio stations with the request that journalists adhere to the guidelines within Remarkably over the course of the war no print journalist and only one radio journalist ever deliberately violated the censorship code after having been made aware of it and understanding its intent *Secrets of Victory* examines the World War II censorship program and analyzes the reasons for its success Using archival sources including the Office of Censorship s own records Michael Sweeney traces the development of news media censorship from a pressing necessity after the attack on Pearl Harbor to the centralized yet efficient bureaucracy that persuaded thousands of journalists to censor themselves for the sake of national security At the heart of this often dramatic story is the Office of Censorship s director Byron Price A former reporter himself Price relied on cooperation with rather than coercion of American journalists in his fight to safeguard the nation s secrets

Secrets Daniel Ellsberg,2003-09-30 The true story of the leaking of the Pentagon Papers the event which inspired Steven Spielberg s feature film *The Post* In 1971 former Cold War hard liner Daniel Ellsberg made history by releasing the Pentagon Papers a 7 000 page top secret study of U S decision making in Vietnam to the New York Times and Washington Post The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War In this remarkable memoir Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U S State Department observer and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy The story of one man s exploration of conscience *Secrets* is also a portrait of America at a perilous crossroad Ellsberg s well told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought The Washington Post Ellsberg s deft critique of secrecy in government is an invaluable contribution to understanding one of our nation s darkest hours Theodore Roszak San Francisco Chronicle **Collision of Power** Martin Baron,2023-10-03 A closely observed gripping chronicle of politics and journalism during a decade of turmoil The New York Times Book Review Politics Money Media Tech It s all here in *Collision of Power* All the President s Men for a new generation Town Country Marty Baron took charge of The Washington Postnewsroom in 2013 after nearly a dozen years leading The Boston Globe Just seven months into his new job Baron received explosive news Jeff Bezos the founder of Amazon would buy the Post marking a sudden end to control by the venerated family that had presided over the paper for 80

years Just over two years later Donald Trump won the presidency Now the capital s newspaper owned by one of the world s richest men was tasked with reporting on a president who had campaigned against the press as the lowest form of humanity Pressures on Baron and his colleagues were immense and unrelenting having to meet the demands of their new owner while contending with a president who waged a war of unprecedented vitriol and vengeance against the media In the face of Trump s unceasing attacks Baron steadfastly managed the Post s newsroom Their groundbreaking and award winning coverage included stories about Trump s purported charitable giving misconduct by the Secret Service and Roy Moore s troubling sexual history At the same time Baron managed a restive staff during a period of rapidly changing societal dynamics around gender and race In *Collision of Power* Baron recounts this with the tenacity of a reporter and the sure hand of an experienced editor The result is elegant and revelatory an urgent exploration of the nature of power in the 21st century

Hendry Jr., 2023-05-02 An FBI cover up spanning nearly a century A victim and his family sworn to secrecy Machine Gun Kelly s first kidnapping a crime that changed America before it was swept under the rug of history *Under Penalty of Death The Untold Story of Machine Gun Kelly s First Kidnapping* brings to light for the first time the long forgotten and twice covered up tale of the 1930s kidnapping that saved America from itself In January 1932 Howard Arthur Woolverton a wealthy industrialist in South Bend Indiana was kidnapped by Kelly and his gang While no one was killed the crime occurring just six weeks before the Lindbergh kidnapping nevertheless proved a watershed event gripping the imagination of terrified Americans everywhere The combined fallout of the two kidnappings helped usher in the federal law that shut down America s professional kidnapping industry for good However today Woolverton s name is forgotten his story erased from public memory as if it had never happened But why the cover up How did Woolverton quash the first investigation Why did J Edgar Hoover and his G Men impose their own wall of silence And how does it all connect with a bloody 1933 FBI screwup at a train station in Kansas City Drawing on a buried federal statement family archives extensive research through period newspaper accounts and interviews with those few who still remember *Under Penalty of Death The Untold Story of Machine Gun Kelly s First Kidnapping* exposes intrigue and collusion in the era of gangsters rampant crime and the Great Depression
