The Direct Cinema of David and Albert Maysles Jonathan B. Vogels,2005

Photography and American Coloniality Raoul J.

Granqvist,2017-04-01 This book is the first to question both why and how the colonialist mythologies represented by the work of photographer Eliot Elisofon persist It documents and discusses a heterogeneous practice of American coloniality of power as it explores Elisofon s career as war photographer correspondent and staff photographer for LIFE filmmaker author artist and collector of primitive art and sculpture It focuses on three areas Elisofon s narcissism voyeurism and sexism his involvement in the homogenizing of Western social orders and colonial legacies and his enthused mission of sending home a mass of still life photographs annexed African artifacts and assumed vintage knowledge The book does not challenge his artistic merit or his fascinating personality what it does question is his production and imagining of difference As the text travels from World War II to colonialism postcolonialism and the Cold War from Casablanca to Leopoldville Kinshasa it proves to be a necessarily strenuous and provocative trip
How Documentaries Went Mainstream Nora Stone, 2023

Since the 1960s documentary films have moved closer to the mainstream thanks to the popularity of rockumentaries association with the independent film movement support from public and cable television and the rise of streaming video services Documentary films have become reliable earners at the U S box office and ubiquitous on streaming platforms while historically they existed on the margins of mainstream media How do we explain the growing commercialization of documentary films and the conditions that fueled their transformation The growing commercialization of documentary film has not gone unnoticed but it has not been sufficiently explained Streaming and the growing interest in reality TV are usually offered as initial explanations whenever a documentary enters the cultural conversation or breaks a box office record but neither of those causes grapple with the overlapping causal mechanisms that commercialized documentary film How Documentaries Went Mainstream provides a more comprehensive and meaningful periodization of the commercialization of documentary film Although the commercial ascension of documentary films might seem meteoric it is the culmination of decades long efforts that have developed and fortified the audience for documentary features Author Nora Stone refines rough explanations of these efforts through a robust synoptic history of the market for documentary films using knowledge of film economics and the norms of industry discourse to tell a richer story. This periodization will allow scholars to compare the commercialization of documentary film with other genres Drawing on archival documents industry trade journals and popular press and interviews with filmmakers and film distributors Stone illuminates how documentary features have become more American Ethnographic Film and Personal Documentary Scott plentiful popular and profitable than ever before MacDonald, 2013-06 American Ethnographic Film and Personal Documentary is a critical history of American filmmakers crucial to the development of ethnographic film and personal documentary The Boston and Cambridge area is notable for nurturing these approaches to documentary film via institutions such as the MIT Film Section and the Film Study Center the Carpenter Center and the Visual and Environmental Studies Department at Harvard Scott MacDonald uses pragmatism s focus on empirical experience as a basis for measuring the groundbreaking achievements of such influential filmmakers as John Marshall Robert Gardner Timothy Asch Ed Pincus Miriam Weinstein Alfred Guzzetti Ross McElwee Robb Moss Nina Davenport Steve Ascher and Jeanne Jordan Michel Negroponte John Gianvito Alexander Olch Amie Siegel Ilisa Barbash and Lucien Castaing Taylor By exploring the cinematic personal and professional relationships between these accomplished filmmakers MacDonald shows how a pioneering engaged and uniquely cosmopolitan approach to documentary developed over the past half century
