Howard,2006-05-08 One situation which Howard liked to use was the American hero in the Middle East In the opening paragraph of *Treasures of Tartary* it is Kirby O Donnell who finds himself plunging into the middle of a battle in a dark alley in Shahrazar Though O Donnell is an American he dresses like an Arab is fluent in their languages and is burned so dark by the sun that he can pass for a native which he does in this story None of the other characters are aware of his true identity Yet Howard frequently refers to O Donnell as the American reminding the reader that O Donnell is an outsider someone who despite his appearance will always be a Westerner and not truly a part of the surroundings in which he finds himself **Robert E. was among the most lauded pulp authors of that era It has been said and rightly so that the secret to his success was that there was a bit of Howard in every one of his characters and because Howard was a Texan even Conan shows elements of the Texan in his persona Robert E Howard The Life and Times of a Texas Author details the many trials and tribulations he faced as he became and remained a full time writer while dealing with an aging father and caring for a mother who was dying of tuberculosis The book both chronicles his personal life and demonstrates how the one driving force in Robert E Howard s life forming the foundation for all of his characters and stories was his personal pursuit of freedom He lived for his freedom he wrote as a means to attain that freedom and while it may sound strange he also died tragically by his own hand in that very same pursuit at the young age of 30
